Dear Bertha,

After hearing from several resources that there is and has been an investigation regarding someone with a name similar to mine. I was given the numbers FGJ 05-10-04 FTL. Upon hearing this I of course immediately attempted to contact the Grand Jury Foreperson for the SOUTHERN DISTRICT OF FLORIDA, to no avail. This person seems to be hidden and even though I directly attempted to contact this hidden person via letter, I respectfully Demand that you forward the attached "RESPECTFUL AND TIMELY NOTICE AND DEMAND" to whoever this person is. I am ready, willing and able to support all of my actions with law and fact.

Sincerely,

Michael David Beiter Jr.

In Re: RESPECTFUL AND TIMELY NOTICE AND DEMAND

Dear Grand Jury Foreman,

It seems that a Grand Jury has been convened to look into allegations that I may have committed some serious offense or unlawful act. I have been given a certain number FGJ 05-10-04-FTL that some say pertains to someone with a name similar to mine. Knowing quite well that I have not committed some serious offense or unlawful act, I have exculpatory evidence against any claim contrary to that fact. I may be the only person willing and able to present such evidence to you and the Grand Jury. It is my belief that I have a lawful right under the circumstances to make such a presentment/presentation and be available for your questions prior to any indictment proceedings. If it is in fact me, I have an eager wish to exonerate myself in this matter as necessary and to assist my investigators/accusers in helping me do just that, so that they too may once and for all know the truth. Be it known that I have no desire to hamper a lawful investigation, but rather encourage its complete and amicable resolve.

I have heard it involves the IRS and do not want to get caught up in an IRS Star Chamber type episode as was alluded to on C-Span in Senator Roth's Subcommittee Investigations of the IRS. I love my country and rightfully fear my government after seeing the extent to which the IRS is allowed to "run wild." I, therefore, respectfully demand that I be allowed to appear before this Grand Jury to present such exculpatory evidence that would exonerate me of any wrongdoing. I request this to be so that justice be served, so that lies do not stand as truths, and so that I may show the most Honorable Grand Jury that I have nothing to hide and much to disclose.

I do have much honor and reputation to protect and wish to do so short of wasting the time and money of a trial court and the lives of 12 good Citizens. Time is valuable to me, truth is valuable to me, privacy is valuable to me, money is valuable to me, and most precious are my honor and reputation. Without these a man has very little to nothing.

I am currently in a time sensitive consulting mode in FLORIDA, USA in a feeble effort to maintain a living. I must advise that I do not have excess funds to travel at will. Your assistance in that aspect will be necessary if you make a decision to call me forth.

Please take all the above into account and act on your conscience and the law. I can be reached at 954-518-0409, through Tom or at 598 SW 77th Way, Pembroke Pines, Florida 32033. Thanking you in advance for your time and consideration.

In Re: RESPECTFUL AND TIMELY NOTICE AND DEMAND

Dear Grand Jury Foreman,

It seems that a Grand Jury has been convened to look into allegations that I may have committed some serious offense or unlawful act. I have been given a certain number FGJ 05-10-04-FTL that some say pertains to someone with a name similar to mine. Knowing quite well that I have not committed some serious offense or unlawful act, I have exculpatory evidence against any claim contrary to that fact. I may be the only person willing and able to present such evidence to you and the Grand Jury. It is my belief that I have a lawful right under the circumstances to make such a presentment/presentation and be available for your questions prior to any indictment proceedings. Dear Mr. Beiter,

Your letter dated December 22, 2006, directed to the United States Attorney, has been forwarded to my attention. In your letter you state that you have been attempting to contact the foreperson of one of the Fort Lauderdale grand juries. Please be advised that federal grand jurors serve under confidentiality, and your attempts to contact one of them could be construed as an attempt to obstruct the grand jury. Therefore, you are forewarned to refrain from any such conduct in the future.

However, your concern that there may be a grand jury investigation involving you- and that you wish to appear before such grand jury- has been duly noted. Given that grand jury investigations are conducted under secrecy rules, I cannot confirm that any such investigation exists. However, if any grand jury investigation were to rise to the level that your appearance would be appropriate, you will be notified.

Re: Your letter dated December 22, 2006

Dear Roger:

I am in receipt of your letter faxed to Tom McMenamin on January 5, 2007 and have several concerns that must be addressed in order to have clear and precise evidence of our communication or lack thereof in the future.

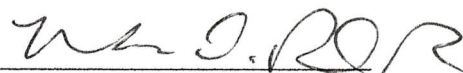

I am not quite sure why Tom received a faxed copy of your letter with my name spelled incorrectly and as you know names are important for correct evidence. I am Michael David Beiter Jr., in upper case, lower case as spelled here. If you do some research, there are several men named Michael Beiter and several corporations named MICHAEL BEITER in the United States of America. For the future, please let your records reflect the proper spelling of my name and Tom will be notified to accept mail by that name only. Again; Michael David Beiter Jr., in upper case, lower case as spelled here. Secondly, you claim that Mr. Acosta forwarded his Registered Mail RB328913315US, to your attention. Being that you claim you are responding for him then please clarify the following, if in fact I am supposed to be the recipient of your recent letter.

1. Under what law are Grand Jurors to serve under "confidentiality" and what limits we the people from access to the servants and peers, as jurors are?
2. Exactly what conduct are you attempting to "forewarn" me from in the future? I am eager to follow all laws and whenever I have done something incorrect I am zealous to do what is right and never repeat my mistakes.
3. What "secrecy" rules are you speaking about in reference to Grand Jury investigations and if they are a secret how can one know how to apply any law in regards to such a secret investigation or simply file a complaint?

4. A subpoena was issued for a case FGJ 05-10-04 for the UNITED STATES DISTRICT COURT, SOUTHERN DISTRICT OF FLORIDA by Bertha Mitrani d/b/a BERTHA A. MITRANI, ASSISTANT U.S ATTORNEY. Can you please explain who the Michael Beiter is in said case? If you need a copy of said subpoena one will be provided for you. Please provide the law that allows a U.S. ATTORNEY or ASSISTANT U.S. ATTORNEY to issue a subpoena.
5. Please provide me with any JUDGES order in case FGJ 05-10-04 for the UNITED STATES DISTRICT COURT, SOUTHERN DISTRICT OF FLORIDA that allowed the seizure and examination of any bank records for Michael Beiter or Double Edge Sword Ministries or DESM, which I am sure is a religious organization, prior to the date of this letter.

As is appropriate, please take three days (72 hours) to respond to the questions and answers respectfully Demanded of you. I submit that if a Grand Jury ever convenes I am not comfortable with leaving my appearance subject to what is deemed "appropriate" or when you or anyone feels it "rises to a certain level". My Demand is to appear before any investigation against me begins. Unless of course you can provide the law that enables you to deny me that right at which time I will give a thorough examination and response. I have enclosed a pre paid envelope for your response and if more time is needed under Notice and Grace simply notify me and I will extend the time.

Sincerely,

Michael David Beiter Jr.

Re: Illegal Subpoenas and bank searches

Dear G. and all you are:

It has been brought to my attention through several resources that certain accounts that may have been at one time or another utilized for religious purposes have been violated and that illegal subpoenas have been issued. I am not sure what your involvement is in this matter but you are hereby put on Notice of the following:

1. It is illegal for any attorney to issue a lawful subpoena. A Judge is the only authorized agent to do such things. If you need proof and assistance validating this fact then simply contact Tom McMenamin at (954) 518-0409.
2. It is illegal to seize, levy, lien or access bank accounts without a Court order signed by a Judge and as of the date of this letter no such orders have been signed by a Judge.

Once again, I am not aware how far your involvement in this matter extends but you are hereby Noticed that any participation by you and/or any companies you represent that divulge private information without a Court order and/or subpoena signed by a Judge will leave me no choice but to hold you and all you are responsible for such violations of law and a law suit will ensue if you collaborate with such schemes.

If the services of you and/or your companies were utilized by any company, religious organization, or me myself, it was for the sole purpose of providing the best to those who donated to our endeavors. The State of Wyoming purposely allows for a streamlined approach for an effective product. Let it not be that you forget why your services are so appealing to so many good Americans who fear the very thing that seems to be playing out at this time. No Judges orders and complete disregard of law by those who call themselves government servants is why Wyoming and states like it are so widely used by Americans.

Make no mistake G., any organizations that I have ever been involved with are adamant about paying all lawful taxes and are passionate about the truth in law. It is my hope that you are not involved with any lies and conspiracies that are trying to promote the agenda of a few disoriented and confused "Agents". You do not have my permission, consent or consent by assent to divulge any information that is not even required by the Secretary of State in your state. The people have a right to have those who serve us follow the law and minus Judges Orders, we expect you to abide by the law.

Sincerely,

Michael Beiter

Re: Subpoena on July 10, 2006

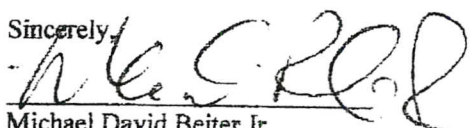

To Whom It May Concern:

I have recently been informed by Jorge Salas, the subpoena processor for Bank of America that on July 10, 2006, JOHN HANLON on behalf of your office, subpoenaed the bank account for the Office of the Presiding Overseer of the Double Edge Sword Ministries and its Successors. Jorge has advised me to have archives pull the file for the subpoena which I have done however, in lieu of that fact that the information gathered now seems to be circulating in the public and being used to threaten and coerce several individuals and companies, I have serious concerns about the invasion of privacy to all involved and have notified them of this event.

I respectfully Demand a copy of the exact subpoena your office used to infiltrate a religious organization and seize private (non public) information of a religious organization. The subpoena was served and possibly dated on July 10, 2006.

This subpoena is evidence in an ongoing matter and your participation in sending a copy to me is expected and can be sent to me in care of Tom McMenamin at 598 SW 77th Way, Pembroke Pines, Florida 32033. If you choose to withhold this evidence simply notify me in writing and it will be documented. Three days (72 hours) should be sufficient time to send the copy of this exact subpoena.

Re: Request for Public records that Identify Federal Territory located within City Limits

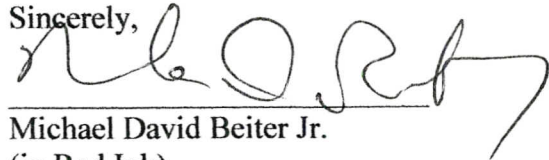

The purpose of this request is to identify any areas within the city, which are subject to the exclusive legislative power of the United States Congress.

The requester, whose name and address appear above, desires to establish the federal territory within the city limits by obtaining from the city any documents that identify any such property or territory. If no federal territory is located within the city, the officer responsible for the disclosure of public documents may simply respond that there are no such public records because no federal territory is located within the city limits.

If for example, a veteran's administration hospital is located within the city public documents arranging for fire or police protection would satisfy the request. The document supplied should not be duplicative, as the requestor is only interested in the identity of all the territory and property of the United States located within the city, and not all the documents that identify the territory and property of the United States.

I have enclosed a pre paid envelope for your convenience and a timely return.

Sincerely,

NOTICE OF DEFAULT AND DISHONOR OF A LAWFUL SUBPOENA DUCES TECUM

To All Noticed Parties:

After being properly noticed and given ample time under Notice and Grace, the above mentioned parties have failed and refused to respond to the "DEMAND FOR PRODUCTION OF DOCUMENTS", attached herein for reference. It has been well over ten days and the prepaid envelopes that were sent to you have not been returned with any information regarding the attached Subpoena. Your failure and refusal to respond as required by law is now evidence in a potential ongoing matter as I have been advised that certain people mentioned above are harassing and threatening friends and associates of mine as of the date of this letter. Affidavits are being created to support this fact. AGAIN I STATE THAT: IF IT IS IN FACT ME YOU ARE SEEKING, I AM READY, WILLING AND ABLE TO SUPPORT ALL OF MY ACTIONS WITH LAW AND FACT. No one is hiding in dark corners around here and your methods seem suspect at best. If you disagree with this Default, then simply notify me within three days at 598 SW 77th Way, Pembroke Pines, Florida 32033. Once again I have included pre paid envelopes for your convenience. If I do not hear from you, I will record this default into the public record to protect my right to privacy and freedom, unless of course you prove up your actions.

This notice is in regards to the attached letters that have been either delivered or attempted to be delivered to your office. I have recently been informed that Darci Smith d/b/a DARCI A. SMITH, SPECIAL AGENT, IRS is attempting to threaten certain people with Subpoenas for not submitting to her requests in regards to a supposed lawful investigation involving someone with a name similar to mine and acquaintances that I know. You are being Noticed that Darci is in Default for failing and refusing to respond to a Subpoena Duces Tecum and she is operating in bad faith and dishonor under the claim that she represents your office. Furthermore, as per the attached letters I am not sure why you refuse to answer my simple and necessary questions regarding authority and jurisdiction. I summarize your actions as an attempt to disregard all law and carry out some vendetta for friends or associates of yours. Dear Mr. Beiter:

The City of Miami's Office of the City Clerk is in receipt of your letter requesting information pertaining to federal territory located within the City of Miami.

For your information, the City of Miami's Office of the City Clerk does not collect or administer the information requested. Re: Cooperation

February 27, 2007

Dear Mrs Smith,

I am able and willing to fully cooperate with any requirement you say, in writing, is imposed on me by law. Like the bible says, "Give to Caesar what's Caesar's." You've refused that cooperation from me for almost 60 days now, but to obtain my immediate cooperation with a legal requirement please don't hesitate to call and specify the legal requirement(s) in writing and in the voicemail in Florida at 866-922-1385. Also, it is respectfully Demanded that you respond to the three page "PUBLIC SERVANT'S QUESTIONNAIRE" (PL 93-579) as required of you by law and return it within three days to the above address. If there are in fact any legal requirements expected of me please also include All records, if any, of determinations or decisions made that I, Michael David Beiter Jr., have a "legal duty" to furnish personal information to you or your Service.

Sincere regards,

Re: OLP/07-R0242
CLM:MLF:SLF

Dear Mr. Beiter:

This is an interim response to your Freedom of Information Act request dated January 29, 2007, which was received in this Office on February 2, 2007, in which you requested copies of the oaths of office and Senate confirmation documents for forty judges seated on the United States District Court for the Southern District of Florida. This response is made on behalf of the Office of Legal Policy (OLP).

Regarding the portion of your request pertaining to magistrate judges, please be advised that records pertaining to magistrate judges are maintained by the Administrative Office of the United States Courts (AOUSC). As the AOUSC is an entity within the judicial branch, it is not subject to the FOIA. Although the policy of the AOUSC is not to release documents to the public, should you wish to contact that entity, the address is as follows:

Judges Compensation and Retirement Services Office
Administrative Office of the United States Courts
One Columbus Circle, NE
Washington, DC 20544

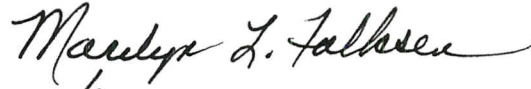

Regarding the remainder of your request, because the records you seek require a search in another Office, our staff has not yet been able to complete its search to determine whether there are records within the scope of your request. Accordingly, we will be unable to comply with the twenty-working-day time limit in this case, as well as the ten additional days provided by the statute. In an effort to speed up our records search, you may wish to narrow the scope of your request to limit the number of potentially responsive records or agree to an alternative time frame for processing, should records be located; or you may wish to await the completion of our records search to discuss either of these options.

We have not yet made a decision on your request for a fee waiver. We will do so after we determine whether fees will be assessed for this request.

If you are not satisfied with my response to the portion your request regarding the magistrate judges, you may administratively appeal by writing to the Director, Office of

Information and Privacy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, within sixty days from the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

Dear Darci:

I am anxiously expecting your filled out "PUBLIC SERVANT QUESTIONNAIRE" (PL 93-579) and by the time you receive this I am sure the three days to perform the survey will be over. I intended to respectfully demand a notarized photo copy of the front and back of your Pocket Commissions and simply forgot to do so. Please take three additional days from receipt of this letter to forward me a notarized copy of such Commissions to the address above. I have enclosed a prepaid envelope for your convenience. I am still not sure if it is I you seek but I am hearing from friends and associates of mine that you are being very harsh and threatening to them and using a name similar to mine in the process? I am not sure why you seem so angry and confused but once again and for what I believe is the fifth time, I AM READY, WILLING AND ABLE TO PROVE UP ALL OF MY ACTIONS WITH LAW AND FACT IF IT IS IN FACT ME YOU SEEK. I will expect your Commissions and am required to inform you that the demand for your Pocket Commissions and the "PUBLIC SERVANT QUESTIONNAIRE" (PL 93-579) is for evidence in an ongoing matter. Please notify me if you intend to withhold such evidence.

Subject: AUSA Bertha Mitrani (Oath of Ofc.)/FLS

The Executive Office for United States Attorneys (EOUSA) has received your Freedom of Information Act/Privacy Act (FOIA/PA) request. It has been assigned the above number. Please give us this number if you write about your request. If we need additional information, we will contact you within two weeks.

Your request will be placed in the order in which it was received for processing, unless it is a very large request (Project Request). Then, it will be placed in a separate group of Project Requests, which are also processed in the order received.

EOUSA makes every effort to process most requests within a month (20 working days). There are some exceptions, for example, Project Requests take approximately nine months to process. Requests for "all information about myself in criminal case files" are usually Project Requests. If you have made such a request, you may either write us and narrow your request for specific items, or you may expect that the processing of your request may take nine months from the date of this letter.

By making a FOIA/PA request, you have agreed to pay fees up to \$25, as stated in 28 CFR § 16.3(c), unless you have requested a fee waiver. Please note that pursuant to 28 CFR § 16.11, we are required to charge fees for time used to search for the documents you have requested and for duplication of all pages released to you. Normally, search time is charged at a rate of \$28 per hour after the first two hours which are free, and duplication fees are \$0.10 per page after the first 100 pages which are free. Please do not send any payment at this time! If we anticipate that fees will exceed \$25 or the amount you have stated in your letter (if greater than \$25), we will normally notify you of our estimate of fees. After we have received your agreement to pay for the expected fees (or you have narrowed your request to reduce fees) and we have processed your request, we will require payment for the accumulated charges before we release documents to you. Without such payment, your request file will be closed without further action.

The Executive Office for United States Attorneys (EOUSA) has received your Freedom of Information Act/Privacy Act (FOIA/PA) request. It has been assigned the above number. Please give us this number if you write about your request. If we need additional information, we will contact you within two weeks.

Your request will be placed in the order in which it was received for processing, unless it is a very large request (Project Request). Then, it will be placed in a separate group of Project Requests, which are also processed in the order received.

EOUSA makes every effort to process most requests within a month (20 working days). There are some exceptions, for example, Project Requests take approximately nine months to process. Requests for "all information about myself in criminal case files" are usually Project Requests. If you have made such a request, you may either write us and narrow your request for specific items, or you may expect that the processing of your request may take nine months from the date of this letter.

By making a FOIA/PA request, you have agreed to pay fees up to \$25, as stated in 28 CFR § 16.3(c), unless you have requested a fee waiver. Please note that pursuant to 28 CFR § 16.11, we are required to charge fees for time used to search for the documents you have requested and for duplication of all pages released to you. Normally, search time is charged at a rate of \$28 per hour after the first two hours which are free, and duplication fees are \$0.10 per page after the first 100 pages which are free. Please do not send any payment at this time! If we anticipate that fees will exceed \$25 or the amount you have stated in your letter (if greater than \$25), we will normally notify you of our estimate of fees. After we have received your agreement to pay for the expected fees (or you have narrowed your request to reduce fees) and we have processed your request, we will require payment for the accumulated charges before we release documents to you. Without such payment, your request file will be closed without further action.

Sincerely,

Re: "FOIA" and response towards your office, attached herein

To Whom It Concerns,

As you can see, I have attached my original "FOIA" request as well as the response from William G. Stewart, numbered OLP/07-R0242. The letter alludes to the fact that you hold the proper Oath of Office for the "magistrate judges". I deny that I am the "public" as I am a private being and I respectfully demand a certified copy of the oaths for all of the magistrate judges listed in the attached "FOIA" request, as well as the proper Senate confirmations of said judges. I have requested a waiver of fees in the original "FOIA" request. Send all documents to 598 SW 77th Way, Pembroke Pines, Florida 32033.

Sincerely,

Michael David Beiter Jr.

Re: OLP/07-R0242

Dear Mr. Beiter:

This is an interim response to your Freedom of Information Act request dated January 29, 2007, which was received in this Office on February 2, 2007, in which you requested copies of the oaths of office and Senate confirmation documents for forty judges seated on the United States District Court for the Southern District of Florida. This response is made on behalf of the Office of Legal Policy (OLP).

Regarding the portion of your request pertaining to magistrate judges, please be advised that records pertaining to magistrate judges are maintained by the Administrative Office of the United States Courts (AOUSC). As the AOUSC is an entity within the judicial branch, it is not subject to the FOIA. Although the policy of the AOUSC is not to release documents to the public, should you wish to contact that entity, the address is as follows:

Judges Compensation and Retirement Services Office
Administrative Office of the United States Courts
One Columbus Circle, NE
Washington, DC 20544

Regarding the remainder of your request, because the records you seek require a search in another Office, our staff has not yet been able to complete its search to determine whether there are records within the scope of your request. Accordingly, we will be unable to comply with the twenty-working-day time limit in this case, as well as the ten additional days provided by the statute. In an effort to speed up our records search, you may wish to narrow the scope of your request to limit the number of potentially responsive records or agree to an alternative time frame for processing, should records be located; or you may wish to await the completion of our records search to discuss either of these options.

We have not yet made a decision on your request for a fee waiver. We will do so after we determine whether fees will be assessed for this request.

If you are not satisfied with my response to the portion your request regarding the magistrate judges, you may administratively appeal by writing to the Director, Office of

Information and Privacy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, within sixty days from the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

A handwritten signature in cursive script, appearing to read "Carmen L. Mallon".

In Re: RESPECTFUL AND TIMELY NOTICE AND DEMAND

Dear Grand Jury Foreman,

It seems that a Grand Jury has been convened to look into allegations that I may have committed some serious offense or unlawful act. I have been given a certain number FGJ 05-10-04-FTL that some say pertains to someone with a name similar to mine. Knowing quite well that I have not committed some serious offense or unlawful act, I have exculpatory evidence against any claim contrary to that fact. I may be the only person willing and able to present such evidence to you and the Grand Jury. It is my belief that I have a lawful right under the circumstances to make such a presentment/presentation and be available for your questions prior to any indictment proceedings. If it is in fact me, I have an eager wish to exonerate myself in this matter as necessary and to assist my investigators/accusers in helping me do just that, so that they too may once and for all know the truth. Be it known that I have no desire to hamper a lawful investigation, but rather encourage its complete and amicable resolve.

I have heard it involves the IRS and do not want to get caught up in an IRS Star Chamber type episode as was alluded to on C-Span in Senator Roth's Subcommittee Investigations of the IRS. I love my country and rightfully fear my government after seeing the extent to which the IRS is allowed to "run wild." I, therefore, respectfully demand that I be allowed to appear before this Grand Jury to present such exculpatory evidence that would exonerate me of any wrongdoing. I request this to be so that justice be served, so that lies do not stand as truths, and so that I may show the most Honorable Grand Jury that I have nothing to hide and much to disclose.

I do have much honor and reputation to protect and wish to do so short of wasting the time and money of a trial court and the lives of 12 good Citizens. Time is valuable to me, truth is valuable to me, privacy is valuable to me, money is valuable to me, and most precious are my honor and reputation. Without these a man has very little to nothing.

I am currently in a time sensitive consulting mode in FLORIDA, USA in a feeble effort to maintain a living. I must advise that I do not have excess funds to travel at will. Your assistance in that aspect will be necessary if you make a decision to call me forth.

Please take all the above into account and act on your conscience and the law. I can be reached at 954-518-0409, through Tom or at 598 SW 77th Way, Pembroke Pines, Florida 32033. Thanking you in advance for your time and consideration.

Dear Bertha,

After hearing from several resources that there is and has been an investigation regarding someone with a name similar to mine. I was given the numbers FGJ 05-10-04 FTL. Upon hearing this I of course immediately attempted to contact the Grand Jury Foreperson for the SOUTHERN DISTRICT OF FLORIDA, to no avail. This person seems to be hidden and even though I directly attempted to contact this hidden person via letter, I respectfully Demand that you forward the attached "RESPECTFUL AND TIMELY NOTICE AND DEMAND" to whoever this person is. Dear Mr. Beiter,

Your letter dated December 22, 2006, directed to the United States Attorney, has been forwarded to my attention. In your letter you state that you have been attempting to contact the foreperson of one of the Fort Lauderdale grand juries. Please be advised that federal grand jurors serve under confidentiality, and your attempts to contact one of them could be construed as an attempt to obstruct the grand jury. Therefore, you are forewarned to refrain from any such conduct in the future.

However, your concern that there may be a grand jury investigation involving you- and that you wish to appear before such grand jury- has been duly noted. Given that grand jury investigations are conducted under secrecy rules, I cannot confirm that any such investigation exists. However, if any grand jury investigation were to rise to the level that your appearance would be appropriate, you will be notified.

Sincerely,

Re: Your letter dated December 22, 2006

Dear Roger:

I am in receipt of your letter faxed to Tom McMenamin on January 5, 2007 and have several concerns that must be addressed in order to have clear and precise evidence of our communication or lack thereof in the future.

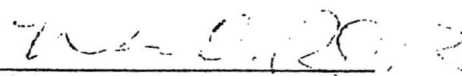

I am not quite sure why Tom received a faxed copy of your letter with my name spelled incorrectly and as you know names are important for correct evidence. I am Michael David Beiter Jr., in upper case, lower case as spelled here. If you do some research, there are several men named Michael Beiter and several corporations named MICHAEL BEITER in the United States of America. For the future, please let your records reflect the proper spelling of my name and Tom will be notified to accept mail by that name only. Again; Michael David Beiter Jr., in upper case, lower case as spelled here. Secondly, you claim that Mr. Acosta forwarded his Registered Mail RB328913315US, to your attention. Being that you claim you are responding for him then please clarify the following, if in fact I am supposed to be the recipient of your recent letter.

1. Under what law are Grand Jurors to serve under "confidentiality" and what limits we the people from access to the servants and peers, as jurors are?
2. Exactly what conduct are you attempting to "forewarn" me from in the future? I am eager to follow all laws and whenever I have done something incorrect I am zealous to do what is right and never repeat my mistakes.
3. What "secrecy" rules are you speaking about in reference to Grand Jury investigations and if they are a secret how can one know how to apply any law in regards to such a secret investigation or simply file a complaint?

4. A subpoena was issued for a case FGJ 05-10-04 for the UNITED STATES DISTRICT COURT, SOUTHERN DISTRICT OF FLORIDA by Bertha Mitrani d/b/a BERTHA A. MITRANI, ASSISTANT U.S ATTORNEY. Can you please explain who the Michael Beiter is in said case? If you need a copy of said subpoena one will be provided for you. Please provide the law that allows a U.S. ATTORNEY or ASSISTANT U.S. ATTORNEY to issue a subpoena.
5. Please provide me with any JUDGES order in case FGJ 05-10-04 for the UNITED STATES DISTRICT COURT, SOUTHERN DISTRICT OF FLORIDA that allowed the seizure and examination of any bank records for Michael Beiter or Double Edge Sword Ministries or DESM, which I am sure is a religious organization, prior to the date of this letter.

As is appropriate, please take three days (72 hours) to respond to the questions and answers respectfully Demanded of you. I submit that if a Grand Jury ever convenes I am not comfortable with leaving my appearance subject to what is deemed "appropriate" or when you or anyone feels it "rises to a certain level". My Demand is to appear before any investigation against me begins. Unless of course you can provide the law that enables you to deny me that right at which time I will give a thorough examination and response. I have enclosed a pre paid envelope for your response and if more time is needed under Notice and Grace simply notify me and I will extend the time.

Sincerely,

 Michael David Beiter Jr.

Dear Alexander and all you are:

This notice is in regards to the attached letters that have been either delivered or attempted to be delivered to your office. I have recently been informed that Darci Smith d/b/a DARCI A. SMITH, SPECIAL AGENT, IRS is attempting to threaten certain people with Subpoenas for not submitting to her requests in regards to a supposed lawful investigation involving someone with a name similar to mine and acquaintances that I know. You are being Noticed that Darci is in Default for failing and refusing to respond to a Subpoena Duces Tecum and she is operating in bad faith and dishonor under the claim that she represents your office. Furthermore, as per the attached letters I am not sure why you refuse to answer my simple and necessary questions regarding authority and jurisdiction. I summarize your actions as an attempt to disregard all law and carry out some vendetta for friends or associates of yours. If I am wrong then I will surely apologize but I state to you that: I AM READY, WILLING AND ABLE TO SUPPORT ALL OF MY ACTIONS WITH LAW AND FACT, IF IT IS IN FACT ME YOU SEEK. If you in fact have issues with me, then simply state your claim and let's resolve the matter. I again respectfully Demand an answer to the questions posed in the attached letter dated January 6, 2007. I have enclosed a pre paid envelope for your convenience and response. If you need more time under Notice and Grace, simply write and inform me at 598 SW 77th Way, Pembroke Pines, Florida 32033 within three days (72 hours).

NOTICE OF DEFAULT AND DISHONOR OF A LAWFUL SUBPOENA DUCES TECUM

To All Noticed Parties:

After being properly noticed and given ample time under Notice and Grace, the above mentioned parties have failed and refused to respond to the "DEMAND FOR PRODUCTION OF DOCUMENTS", attached herein for reference. It has been well over ten days and the prepaid envelopes that were sent to you have not been returned with any information regarding the attached Subpoena. Your failure and refusal to respond as required by law is now evidence in a potential ongoing matter as I have been advised that certain people mentioned above are harassing and threatening friends and associates of mine as of the date of this letter. Affidavits are being created to support this fact. AGAIN I STATE THAT: IF IT IS IN FACT ME YOU ARE SEEKING, I AM READY, WILLING AND ABLE TO SUPPORT ALL OF MY ACTIONS WITH LAW AND FACT. No one is hiding in dark corners around here and your methods seem suspect at best. If you disagree with this Default, then simply notify me within three days at 598 SW 77th Way, Pembroke Pines, Florida 32033. Once again I have included pre paid envelopes for your convenience. If I do not hear from you, I will record this default into the public record to protect my right to privacy and freedom, unless of course you prove up your actions.

Re: Subpoena on July 10, 2006

To Whom It May Concern:

I have recently been informed by Jorge Salas, the subpoena processor for Bank of America that on July 10, 2006, JOHN HANLON on behalf of your office, subpoenaed the bank account for the Office of the Presiding Overseer of the Double Edge Sword Ministries and its Successors. Jorge has advised me to have archives pull the file for the subpoena which I have done however, in lieu of that fact that the information gathered now seems to be circulating in the public and being used to threaten and coerce several individuals and companies, I have serious concerns about the invasion of privacy to all involved and have notified them of this event.

I respectfully Demand a copy of the exact subpoena your office used to infiltrate a religious organization and seize private (non public) information of a religious organization. The subpoena was served and possibly dated on July 10, 2006.

This subpoena is evidence in an ongoing matter and your participation in sending a copy to me is expected and can be sent to me in care of Tom McMenemy at 598 SW 77th Way, Pembroke Pines, Florida 32033. If you choose to withhold this evidence simply notify me in writing and it will be documented. Three days (72 hours) should be sufficient time to send the copy of this exact subpoena.

Re: Cooperation

February 27, 2007

Dear Mrs Smith,

I am able and willing to fully cooperate with any requirement you say, in writing, is imposed on me by law. Like the bible says, "Give to Caesar what's Caesar's." You've refused that cooperation from me for almost 60 days now, but to obtain my immediate cooperation with a legal requirement please don't hesitate to call and specify the legal requirement(s) in writing and in the voicemail in Florida at 866-922-1385. Also, it is respectfully Demanded that you respond to the three page "PUBLIC SERVANT'S QUESTIONNAIRE" (PL 93-579) as required of you by law and return it within three days to the above address. If there are in fact any legal requirements expected of me please also include All records, if any, of determinations or decisions made that I, Michael David Beiter Jr., have a "legal duty" to furnish personal information to you or your Service.

Sincere regards,

Michael David Beiter Jr.

Dear Darci:

I am anxiously expecting your filled out "PUBLIC SERVANT QUESTIONNAIRE" (PL 93-579) and by the time you receive this I am sure the three days to perform the survey will be over. I intended to respectfully demand a notarized photo copy of the front and back of your Pocket Commissions and simply forgot to do so. Please take three additional days from receipt of this letter to forward me a notarized copy of such Commissions to the address above. I have enclosed a prepaid envelope for your convenience. I am still not sure if it is I you seek but I am hearing from friends and associates of mine that you are being very harsh and threatening to them and using a name similar to mine in the process? I am not sure why you seem so angry and confused but once again and for what I believe is the fifth time, I AM READY, WILLING AND ABLE TO PROVE UP ALL OF MY ACTIONS WITH LAW AND FACT IF IT IS IN FACT ME YOU SEEK. I will expect your Commissions and am required to inform you that the demand for your Pocket Commissions and the "PUBLIC SERVANT QUESTIONNAIRE" (PL 93-579) is for evidence in an ongoing matter. Please notify me if you intend to withhold such evidence.

Sincere regards,

Dear Mr. Beiter Jr.:

This is in response to your Freedom of Information Act (FOIA) request, dated March 12, 2007 and received in our office on March 17, 2007.

Your request contains questions and/or indications that you are challenging the income tax system. Federal courts have consistently ruled against a number of arguments challenging the constitutionality of income taxes or the authority of the IRS to enforce the tax laws or collect taxes. To address these concerns and for your information, please find enclosed a copy of Publication 2105, "Why Do I Have to Pay Taxes?" In addition, there is information on the IRS website which answers various anti-tax arguments: "The Truth About Frivolous Tax Arguments," http://www.irs.gov/pub/irs-utl/friv_tax.pdf. We will not respond to future correspondence concerning these issues.

Should you have any questions concerning this correspondence, you may contact Sr. Disclosure Specialist Brenda Ball, ID # 65-02093, by calling (954) 423-7486 or by writing to: Internal Revenue Service, Disclosure Office, Stop 4030, 7850 S. What
about those who
believe they don't have
to pay taxes?

There have always been individuals who, for a variety of reasons, argue various taxes are illegal. They use false, misleading, or unorthodox tax advice to gain followers. The courts have repeatedly rejected their arguments as frivolous and routinely impose financial penalties for raising such frivolous arguments. Take the time to learn the truth about frivolous tax arguments and more about recent criminal prosecutions at the following web sites:

THE TRUTH ABOUT FRIVOLOUS TAX ARGUMENTS

(http://www.irs.gov/pub/irs-ud/friv_tax.pdf)

THE NONFILER WEB SITE

(<http://www.irs.gov/> keyword: fraud)

The promoters of this tax advice often charge hefty fees or commissions to subscribe to their philosophies. Unfortunately, in the end, you may pay more in penalties, interest, and legal fees for following their bad advice. Their philosophies have led to the financial ruin of innocent taxpayers deceived by false information. Believe it or not – a number of individuals who market these ideas actually pay taxes.

The IRS
has focused its efforts
against willful
nonfilers and noncompliance
schemes by adopting
a twofold approach:

1. Assist taxpayers to correct their filing status and comply with the tax law.

2. Vigorously apply both civil and criminal sanctions against individuals who persist in violating the tax law.

Report suspicious or misleading tax information to your local IRS office

Maintaining public confidence in the fairness of tax laws is paramount. Recommending prosecution of those who willfully violate tax laws demonstrates the IRS' commitment to ensuring that everyone pays their fair share of taxes

TAXES

The United States Constitution, Article I, Section 8, Clause 1, states "The Congress shall have the Power To lay and collect Taxes, Duties, Imposts and Excises to pay the Debts and provide for the common Defense and general Welfare of the United States."

The Sixteenth Amendment to the Constitution, ratified on February 3, 1913, states, "The Congress shall have the power to lay and collect taxes on income, from whatever source derived, without apportionment among the several States, and without regard to any census or enumeration."

Congress used the power granted by the Constitution and Sixteenth Amendment and made laws requiring all individuals to pay tax.

Congress has delegated to the IRS the responsibility of administering and enforcing these laws known as the Internal Revenue Code. Congress enacts the tax laws, IRS enforces them.

Sources of taxable income are identified under Title 26 of the Internal Revenue Code, Section 61, Gross Income Defined. The list of sources under this section is not all inclusive.

Courts have historically held there are no Constitutional or legal grounds for failure to file tax returns and failure to pay taxes.

The term voluntary compliance means that each of us is responsible for filing a tax return when required and for determining and paying the correct amount of tax.

Failing to file required returns and failing to pay taxes may result in criminal prosecution and/or civil penalties.

While taxpayers have the right to contest their tax liabilities in the courts, taxpayers do not have the right to violate and disobey tax laws.

Commonly Used Frivolous Arguments:

Unscrupulous individuals and promoters advocating willful noncompliance with the tax laws have used a variety of false or misleading arguments for not paying taxes. Here are some of the most common arguments.

Constitutional Arguments: Filing a Form 1040 violates the Fifth Amendment right against self-incrimination of the Fourth Amendment right to privacy.

The Truth: The courts have consistently held that disclosure of the type of routine financial information required on a tax return does not incriminate an individual or violate the right to privacy.

Religious Arguments: Use the freedom of religion clause of the First Amendment by taking a vow of poverty or fraudulently claiming charitable contributions of 50% or more of your adjusted gross income.

The Truth: Claiming a vow of poverty or claiming fraudulent charitable contributions to a church for money which is ultimately used to pay personal expenses is not legal.

Internal Revenue Code (IRC) Arguments:

(1) The filing and paying of tax is voluntary.
(2) The Internal Revenue Code doesn't apply to me because I am not a government employee nor I am a resident of a sovereign state.

The Truth: The tax law is found in Title 26 of the United States Code, Section 6012 of the Code makes clear that only individuals whose income falls below a specified level do not have to file returns. While our tax system is based on self-assessment and reporting, compliance with tax laws is mandatory. State citizenship does not negate the applicability of the IRC on individuals working and residing in the United States.

Wages are not income Arguments: Labor worth a certain amount is exchanged for money worth the same amount and therefore there is no income to be taxed.

The Truth: The arguments that taxes on income derived from property are unconstitutional, or that income is limited to gain or profit, are consistently dismissed by the courts. Congress has determined

(through the IRC), that all income is taxable unless specifically excluded by some part of the Internal Revenue Code.

Forming a Trust Argument: Forming a business trust to hold your income and assets will avoid taxes. A family estate trust will allow you to reduce or eliminate your tax liability.

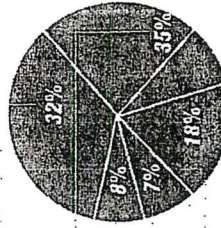

The Truth: Establishing a trust, foreign or domestic, for the sole purpose of hiding your income and assets from taxation is illegal and will not absolve you of your tax liability.

How are your tax dollars used to benefit the citizens of the United States? Which of these services have you or your family used lately or will use in the future?

Dear Employee:

I am in receipt of your correspondence dated "March 21, 2007," attached herein for reference.

My authority for making this timely demand for verification of your authority is a matter of right and supported by the decision of the United States Supreme Court as follows:

"Whatever the form in which the Government functions, anyone entering into an arrangement with the Government takes the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority...And this is so even though as here, the agent was not aware of the limitations upon his authority."

If you have any questions, you may consult the authorities listed on the last page of the questionnaire.

Your correspondence indicates that you are proceeding in disregard of the statutory deadlines for your Service/Agency to complete and send a response to the Privacy Act/FOIA request where it indicates that you are refusing to do so on the erroneous assumption that the Privacy Act/FOIA request contains questions and/or indications of a challenge of any sort or variety. In the absence of documents with which to make or support such assumption(s) of a challenge existing, I have little choice but to conclude that your correspondence constitutes evidence of refusal to comply with the Privacy Act and Freedom of Information Act deadlines as it fails to contain the statutorily required elements of a satisfied request (i.e., cost for copying, et cetera). I am sure that you understand the consequences to such a refusal include entitlement to a Vaughn Index.

The contents of your correspondence, namely, your internal publication indicating "Why do you have to pay taxes" is clearly offered not for the objective truth of the matter but rather indicates your diligence (albeit diligence in support of an erroneous and undocumented assumption, indicating sheer speculation and a rather hasty eagerness to libel/label someone as a tax protestor/"challenger").

By my signature below I affirm through notary that the foregoing is honest, true and correct under penalty of perjury this Twenty-Eighth Day of the Third Month of the Year of our Lord 2007, executing same at arm's length and at Florida,

This letter is in response to your Freedom of Information Act (FOIA) request for information concerning Special Agent Darcia A. Smith. Your letter was received in the Baltimore Disclosure office on March 23, 2007 and referred to the Detroit Disclosure office for response.

To the extent Darci A. Smith is a Special Agent, GS-1811, such agent's identity and appointment affidavit is exempt for disclosure pursuant to FOIA exemption (b)(6)

Section 701 of Title 18 of the U S Code states whoever manufactures, sells, or possesses any badge, identification card, or other insignia, of the design prescribed by the head of any department or agency of the United States for use by any officer or employee thereof, or any colorable imitation thereof, or photographs, prints, or in any other manner makes or executes any engraving, photograph, print, or impression in the likeness of any such badge, identification card, or other insignia, or any colorable imitation thereof, except as authorized under regulations made pursuant to law, shall be fined under this title or imprisoned not more than six months, or both. **Re: Refusal to send my "form(s)" for grand jury harms imposed directly on me
(proof of acceptance of terms Registered Mail RB328913505US)**

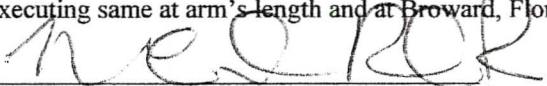

Dear Members of Our Precious Grand Jury:

Please perform per the terms accepted as evidenced (**Registered Mail RB328913505US**) within ten days or you and each of you solemnly agree to im-mediately send payment of all bills I send to you.

PLAIN STATEMENT OF FACTS: Subpoenas seem to exist outside of Grand jury reasoning. Itemizable harms are being perpetually imposed on me through said non-grand jury subpoenas. I have little choice but to conclude that **making** the seemingly laughable "Subpoenas" displaying the words "Grand Jury" with made up (fabricated, invented) numbers FGJ 05-10-04(FL), FGJ 06-04-03 (E060457-0004), FGJ 06-04-03 (E060457-002) and the words UNITED STATES OF AMERICA vs. JOHN DOE 2006R00634 is not a collective effort but rather the work of one or few (employees) without knowledge of said form(s) for remedy of harm.

The cost of these non-legislated games has now been measured (and in itemized fashion) and unless I receive a form for purposes of remedy, a bill will be sent for the cost of entertaining your theories that seemed so serious, to wit, a bill will be sent in exchange for your ongoing non-response if any.

The signature below evidences that I affirm that the foregoing is honest, true and correct under penalty of perjury this Twenty-Third Day of the Fourth Month of the Year of our Lord 2007, executing same at arm's length and at Broward, Florida,

Re: Your letter faxed to me 1/5/2007

Dear Roger and all you are:

On January 5, 2007, you told me one named Michael Beiter with an address of 598 SW 77th Way, Pembroke Pines, Florida that, I quote, "if any grand jury investigation were to rise to the level that your appearance would be appropriate, you will be notified." My response was very clear in that I specifically spelled out my name Michael David Beiter Jr., and told you if in fact it was me that was being discussed in your 1/5/2007 letter, that I was to be immediately notified the minute any sort of Grand Jury convened against me. I believe I said "my demand is to appear before any investigation against me begins."

Darci Smith d/b/a DARCI SMITH, CID, IRS, is Subpoena-happy these days and it needs to be established whether or not you have lied to me Roger. I am Michael David Beiter Jr., spelled upper case lower case just as you see it here.

Has a Grand Jury convened against me Roger? Respond within three days or it will be established that your answer is that no grand jury has convened against me and this once again will be evidence. Once again, mailing has been covered for you for your reply.

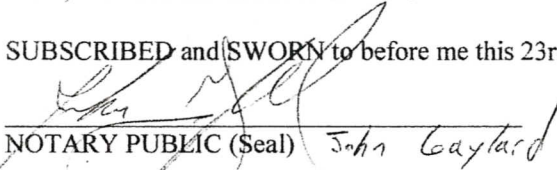

Sincerely,

Michael David Beiter Jr., living soul

Re: Refusal to send my "form(s)" for grand jury harms imposed directly on me
(proof of acceptance of terms Registered Mail RB328913505US)

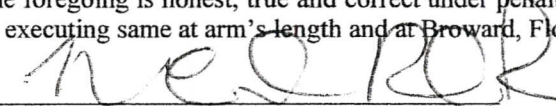

Dear Members of Our Precious Grand Jury:

Please perform per the terms accepted as evidenced (**Registered Mail RB328913505US**) within ten days or you and each of you solemnly agree to immediately send payment of all bills I send to you.

PLAIN STATEMENT OF FACTS: Subpoenas seem to exist outside of Grand jury reasoning. Itemizable harms are being perpetually imposed on me through said non-grand jury subpoenas. I have little choice but to conclude that **making** the seemingly laughable "Subpoenas" displaying the words "Grand Jury" with made up (fabricated, invented) numbers FGJ 05-10-04(FL), FGJ 06-04-03 (E060457-0004), FGJ 06-04-03 (E060457-002) and the words UNITED STATES OF AMERICA vs. JOHN DOE 2006R00634 is not a collective effort but rather the work of one or few (employees) without knowledge of said form(s) for remedy of harm.

The cost of these non-legislated games has now been measured (and in itemized fashion) and unless I receive a form for purposes of remedy, a bill will be sent for the cost of entertaining your theories that seemed so serious, to wit, a bill will be sent in exchange for your ongoing non-response if any.

The signature below evidences that I affirm that the foregoing is honest, true and correct under penalty of perjury this Twenty-Third Day of the Fourth Month of the Year of our Lord 2007, executing same at arm's length and at Broward, Florida,

Michael David Beiter Jr., living soul

As you were previously notified, Congress gets information before you do, and as you are able to weigh from the CC list below, the costs of these communications have grown beyond what I will suffer under while there are no demonstrable procedures outside of what Congress legislates, policy or other-wise, able to be construed as valid or able to magically cause reverence for the validity of same; either protect yourself and the Service through signing the PSQ (23 authorities thereupon mandating signature) and sending it to the above honest address other-wise the accusation "door" is thrown wide open for that refusal to play above the table.

Please do not withhold documents during this apparently vital investigation that you propose exists yet a grand jury denies exists. Congress permits those twenty-three authorities to operate in order to protect you, your Service, your managers and your supervisors, yet I have yet to see one iota of evidence that u care about such things. You and each of u will sign and deliver the Public Servant Questionnaire to the above honest address within ten days of the receipt of this letter other-wise you and each of u solemnly agree to immediately reimburse itemized costs (with-out mediation of any sort) for said recorded costful writings. We have seen your creative use of Postal Inspectors.

*Re: Ascertaining with Express Mail EB 318898318 US, received at u, you, YOU on
April 23, 2007*

Dear Bertha and all you are:

You, or YOU or u, **failed and refused** to call to have lunch. You, or YOU or u, **failed and refused** to send me the form(s) to start a criminal investigation against Darci Smith d/b/a DARCI SMITH, CID, IRS. You, or YOU or u, **failed and refused** to return the completed PUBLIC SERVANT'S QUESTIONNAIRE (PL 93-579). You, or YOU or u, **failed and refused** to take my evidence which undoubtedly removes any wrong doing from me.

The accusation door is now WIDE OPEN and the end result includes but is certainly not limited to Subornation of Perjury, Counterfeit Securities, Obstruction of Justice, Violation of Due Process, Jury Tampering, Mail Fraud, Violation of Oath of Office to the Constitution of the United States of America (1788), Misnomer of Name, Breach of Contract, Contempt of Court, Barratry.....

You, or YOU or u and any conspiring seem not to care one bit about law. Who is the Judas who is supporting your actions? Who has compromised you and all you are? Who is leading the witch hunt? I am willing to forgive and forget all of this under the premise that the bible teaches "I desire grace and mercy over the law," says Yahweh. Your future is in your, YOUR, hands.

Use of a Notary Public in this document does not constitute any adhesion nor does it alter my neutral status At law (in itinere In original Common Law jurisdiction). The purposes for Notary Public herein are identification and verification only, not for entrance into any foreign jurisdiction.

Re: Your letter dated 4/17/2007, received by me 5/7/2007, a copy attached herein.

Dear Darlene and all you are:

There will be no need to appeal your decision for Darci A. Smith, Special Agent, GS01811 for the simple reason that I understand and accept her authority as a "colorable imitation" as your letter describes. I would however like to thank the DEPARTMENT OF THE TREASURY, INTERNAL REVENUE SERVICE for acknowledging and agreeing to the proper spelling of my name as your letter evidences.

I would like to ask you to please respond to the attached FREEDOM OF INFORMATION ACT/PRIVACY ACT REQUEST, attached herewith, as R. L. Commerson d/b/a R.L. I of course am not protesting anything but merely gathering information so please do not libel/label me as we have never met.

Re: Public Corruption Complaint and Affidavit Recorded in Public Records at Gainesville, Florida, Instrument# 2341121, 7 pages.

To All Noticed Parties:

It is shameful that good law abiding Americans must go to extreme levels to keep our Public Servants honorable to their Oath of Office to the Constitution of the United States of America (1778). I would like in particular to speak directly to you Mr. Meek as I hear your reputation is honorable. Please closely read the attached "Verified Affidavit" and the "Public Corruption Complaint" regarding two parties in particular and I am quite sure more are involved behind the scenes. Make no opinion of the order of the document as this is the only way the Clerk at Gainesville would record said document. This letter and its attachments have been attached to an extensive list of exculpatory evidence and journaled by several Officers of the Court (Notaries). Enough is enough and I have the evidence to support the many compromised and unlawful activities of those who call themselves servants.

Sincerely,

Michael David Beiter Jr.
