Computer data

An IRS-CI Computer Investigative Specialist (CIS) will be utilized for the search and seizure of any relevant evidence from any and all computers at the premises to be searched.

1. Computer hardware, software, and electronic files may be important to a criminal investigation in two distinct ways: (1) the objects themselves may be contraband, evidence, instrumentalities, or fruits of crime, and/or (2) the objects may be used as storage devices that contain contraband, evidence, instrumentalities, or fruits of crime in the form of electronic data. Rule 41 of the Federal Rules of Criminal Procedure permits the government to search for and seize computer hardware, software, and electronic files that are evidence of crime, contraband, instrumentalities of crime, and/or fruits of crime. Based upon my training, experience and information related to me by agents and others involved in the forensic examination of computers, I know that computer data can be stored on a variety of systems and storage devices including hard disk drives, floppy disks, compact disks, magnetic tapes and memory chips and other digital storage media. I also know that during the search of the premises it is not always possible to search computer equipment and storage devices for data for a number of reasons, including the following:

- a. The volume of evidence—Computers and computer storage devices (i.e., hard disks, diskettes, tapes, laser disks) can store a voluminous amount of information. Additionally, a suspect may try to conceal criminal evidence; he or she might store it in random order with deceptive file names. This may require searching authorities to examine all the stored data to determine which particular files are evidence or instrumentalities of crime. This sorting process can take weeks or months, depending on the volume of data stored, and it would be impractical and invasive to attempt this kind of data search on-site.
- b. The technical requirements—Searching computer systems for criminal evidence is a highly technical process requiring expert skill and a properly controlled environment. The vast array of computer hardware and software available requires even computer experts to specialize in some systems and applications, so it is difficult to know before a search which expert is qualified to analyze the system and its data. In any event, however, data search protocols are exacting scientific procedures designed to protect the integrity of the evidence and to recover even "hidden," erased, compressed, password-protected, or encrypted files. Because computer evidence is vulnerable to inadvertent or intentional modification or destruction (from external sources or from destructive code imbedded in the system as a "booby trap"), a controlled environment may be necessary to complete an accurate analysis. Further, such searches often require the seizure of most or all of a computer system's input/output peripheral devices, related software, documentation, and data security devices (including passwords) so that a qualified computer expert can accurately retrieve the system's data in a laboratory or other controlled environment.

2. In searching for data capable of being read, stored or interpreted by a computer, law enforcement personnel executing this search warrant will employ the following procedure:

- a. Upon securing the premises, CIS agents, law enforcement personnel trained in searching and seizing computer data (the "computer personnel") will make an initial review of any computer equipment and storage devices to determine whether these items can be searched on-site in a reasonable amount of time and without jeopardizing the ability to preserve the data.
 - b. If the computer equipment and storage devices cannot be searched on-site in a reasonable amount of time, then the computer personnel will determine whether it is practical to copy the data during the execution of the search in a reasonable amount of time without jeopardizing the ability to preserve the data.
 - c. If the computer personnel determine it is not practical to perform an on-site search or make an on-site copy of the data within a reasonable amount of time, then the computer equipment and storage devices will be seized and transported to an appropriate law enforcement laboratory for review. The computer equipment and storage devices will be reviewed by appropriately trained personnel in order to extract and seize any data that falls within the list of items to be seized set forth herein.
 - d. Any data that is encrypted and unreadable will not be returned unless law enforcement personnel have determined that the data is not (a) an instrumentality of the offense, (b) a fruit of the criminal activity, (c) contraband, (d) otherwise unlawfully possessed, or (e) evidence of the offense specified above.
 - e. In searching the data, the computer personnel may examine all of the data contained in the computer equipment and storage devices to view their precise contents and determine whether the data falls within the items to be seized as set forth herein. 1. Example "Affidavit of Judge's Domicile"

Dear Christina:

This request is being made in reference to case 07-6317-SNOW and all related matters in your District. This FOIA request is being provided under the Freedom of Information Act, 5 U.S.C. § 552 or regulations thereunder. This is my firm promise to handle all costs for duplicating the records requested below. All records relate to District Court Judge Lurana S. Snow.

I am waiving personal inspection of the requested records. PLEASE EXPEDITE THIS REQUEST, as it is required for evidence in matters related.

1. REASON FOR REQUEST:

28 U.S.C. § 134(b) requires that all federal District Court Judges must reside within the district where they serve. The purpose of this inquiry is to ensure that Judge Lurana S. Snow has satisfied the requirements of the law that governs.

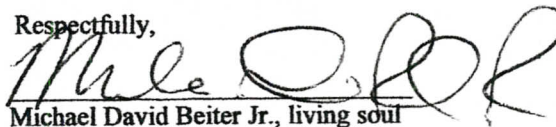

2. ITEMS TO PROVIDE:

1. Completed "Affidavit of Judge's Domicile" for Judge Lurana S. Snow, United States District Court, Southern District of Florida. See Enclosure (1) for an example. This form must be signed under penalty of perjury and/or have the official seal of your agency, because it may be used as evidence in a legal proceeding and must be admissible as evidence.

AFFIDAVIT OF JUDGE'S DOMICILE

PURPOSE OF THIS REQUEST:

28 U.S.C. § 134(b) requires that Judge Lurana S. Snow must physically 'reside' within the district within which he serves. Said district consists of all federal territory, property and employees within the district in question and excludes land not ceded to the federal government as required by 40 U.S.C. § 3112(b). Consequently, domicile and physical abode of Judge Lurana S. Snow must be in a place subject to exclusive federal jurisdiction within territory of the United States as required under the United States Constitution (1788) Article 1 Section 8, Clause 17. "Territory" is defined as follows:

"Territory: A part of a country separated from the rest, and subject to a particular jurisdiction. Geographical area under the jurisdiction of another country or sovereign power. A portion of the United States not within the limits of any state, which has not yet been admitted as a state of the Union, but is organized with a separate legislature, and with executive and judicial powers appointed by the President." [Black's Law Dictionary, Sixth Edition, p. 1473]

Because of the Separation of Powers Doctrine, domicile of de jure federal judges may not be subject to the jurisdiction of any state court or other foreign state and therefore may not reside on land owned by the state. Likewise, jurors must be selected from among those who occupy federal territory within the district under 28 U.S.C. 1865(b)(1). See:

<http://famguardian.org/Subjects/LawAndGovt/Articles/SeparationOfPowersDoctrine.htm>

Information about the federal judge in question is requested under the provisions of the Freedom of Information Act 5 U.S.C. 552. Please complete this form and promptly return to the Requester in completed form. Please do not provide to the judge in question a copy of either this correspondence or your response to it until after you have mailed this completed form to the Requester. This will prevent the judge from censoring the response and thereby obstructing justice, in violation of 28 U.S.C. 455, 28 U.S.C. 144, or 5 U.S.C. 208.

Re: our conversation between the hours of 9:45 and 10:00 a.m. on Wednesday, September 19, 2007.

Dear Shawna,

I would like to thank you for our conversation this morning and would like to recap what was discussed. I called you and asked if any new paperwork was delivered to your office from the FBI investigation on Darci Smith and Bertha Mitrani, prompted by your office. You told me no new paperwork had arrived. I then told you about a recent invasion of my good friends chiropractic office, New Life Chiropractic, by Darci Smith and many armed agents. I told you how they had severely harmed his business and attached a name similar to mine to his search warrant. I also stated that he had been previously meeting with another agent and getting all of his filings current under the guidance of another agent, who himself as an IRS agent was recently arrested. I told you how a friend of mine was threatened to either be a "witness" or a "target" by these agents. You then made a statement that I expressed that I "used" to tell people about taxes which I quickly denied, as I have never done so. I then told you I had done estate planning in the past but that I have never given tax advice as I am not an accountant. I believe I said I don't know anything about the tax code and that MIKE BEITER is filed up to 2006, so he has no problems with taxes. I then stated I never advise people on tax issues as I have no knowledge of tax issues. You then stated paying taxes is the law and I mentioned that a jury of twelve people had just ruled against the IRS and the illegality of the income tax (USA vs. Cryer, Case No. 5:06-cr-50164-SMH-MLH-ALL, United States District, Western District of Louisiana) which disagreed with your opinion on the taxes. I then described how perplexed I was that I had previously filed a document sighting racketeering and fraud by Darci Smith and Bertha Mitrani and no one has ever attempted to contact me and ask why? A simple meeting to ask why? I then said the word "hell" and you said don't curse and I of course apologized and stated I would never say that to you again. I then said how I found it odd the word hell bothered you but not the multiple accounts I have brought to you about the rogue actions of the parties in my complaint. I then told you that I was not angry and loved America and stated that I knew there are people who get angry and do unjust things because our public servants don't honor their oaths but I was not one of those people. You exclaimed, "I hope not." I then stated that vengeance belongs to God, not man.

Please take ten days to correct anything in this letter that you disagree with otherwise this is an accurate and true account of our conversation.

Sincerely,

Michael David Beiter Jr.

Each and every one of the attached "cc" list (after failure to rebut)

Subject: as you were previously given notice, failure to rebut

This is lawful notification to you and you are required to respond and to rebut that with which you disagree. If you fail to do so in writing to the "above and hereupon prominently displayed" honest abode address within ten (10) days then you admit to everything contained herein, fully binding upon you at any court without your objection, protest, or that of those who represent you.

As a result of county recorded in official records at Alachua County, Florida as instrument # 2341121 (copy enclosed) and Fed. Rules of Evidence 201 and 902, you cannot legally and in the legal absence of rebuttal now claim "a rebuttal was or is expressed regarding the items recorded at the county recorder."

If you did rebut and you believe your rebuttal was either lost, stolen or otherwise made non-available to the undersigned, you may send a copy of your rebuttal writing to the above honest address within ten (10) days in order to be excluded from the list of those failing to rebut.

Your offices seem more angry where one uses the word "hell" in conversations yet less angry where our government's constitutional offices and the many agents/employees contacted seem to struggle so expensively in writing my name dishonestly (or seem afraid to write my name honestly) but we thank you for not participating in the deprivation described at 18 USC 1346 through altering or seeming to alter my honestly presented name. My wife, children and I would thank you for that honesty, quid pro quo after we do honestly present our honest forms of address and consistently.

Further, congressional authorities (over twenty herewith enclosed as cited) are undermined, disregarded and abused, causing documented fraud, waste and abuse resulting in documented damages and resulting in obstructing the congressionally specified answers from said government employees. Forgive us, the family, for our brief and pointed writing here as we hope you can see from the attached "cc" list, the evidence (documented) indicates, and indicates clearly and convincingly, that our family is being mugged under color of law.

Further, those failing to rebut include many addressees of constitutional government, both state and federal, including but not limited to the legislatures, attorneys general and a constitutional state's governor office, as the "cc" list attached herewith evidences.

"Whatever the form in which the Government functions, anyone entering into an arrangement with the Government takes the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority...And this is so even though as here, the agent was not aware of the limitations upon his authority."

Federal Crop Insurance Corporation v. Merrill, 332 U.S. 380 at 384 (1947)

The denial of the right to appointed counsel is pre-judicial per se. Holloway v. Arkansas, 435 U.S. 475, 489 (1978)

This is lawful notification to you and you are required to respond and to rebut that with which you disagree. If you fail to do so in writing to the "above and hereupon prominently displayed" honest abode address within ten (10) days then you admit to everything contained herein, fully binding upon you at any court without your objection, protest, or that of those who represent you.

I intended to respectfully demand a notarized photo copy of the front and back of your Pocket Commissions and simply forgot to do so. Please take three additional days from receipt of this letter to forward me a notarized copy of such Commissions to the address above. I have enclosed a prepaid envelope for your convenience. I am still not sure if it is I you seek but I am hearing from friends and associates of mine that you are being very harsh and threatening to them and using a name similar to mine in the process? I am not sure why you seem so angry and confused but once again and for what I believe is the fifth time, I AM READY, WILLING AND ABLE TO PROVE UP ALL OF MY ACTIONS WITH LAW AND FACT IF IT IS IN FACT ME YOU SEEK. I will expect your Commissions and am required to inform you that the demand for your Pocket Commissions and the "PUBLIC SERVANT QUESTIONNAIRE" (PL 93-579) is for evidence in an ongoing matter. Please notify me if you intend to withhold such evidence.

Sincere regards,

Dear Employee:

I am in receipt of your correspondence dated "March 21, 2007," attached herein for reference.

My authority for making this timely demand for verification of your authority is a matter of right and supported by the decision of the United States Supreme Court as follows:

"Whatever the form in which the Government functions, anyone entering into an arrangement with the Government takes the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority...And this is so even though as here, the agent was not aware of the limitations upon his authority."
Federal Crop Insurance Corporation v. Merrill, 332 U.S. 380 at 384 (1947)

After your recent contacts with and impacts upon the life of the undersigned, you will affix your signature to the public servant questionnaire enclosed herewith and you will return same in the envelope provided herewith and for which postage has already been obtained. I have every desire to obey all laws that apply to me, but I am fearful that any participation with you or your Service will constitute a voluntary waiver of those rights and moot any future claim to those rights.

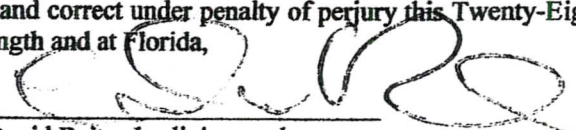

If the above specified questionnaire is not received at the above address before 12:00 a.m. midnight (EDT) of the date of 4/10/07, you may be sued legally under charges of bad faith in accordance with your Service's revenue code and regulations, which is a suit against yourself, individually, including but not limited to suit to enjoin any and all ultra vires activity in which you are engaging now or in future against the undersigned, and you may be found guilty of refusing to execute the mandatory questionnaire among other criminal and civil charges if you continue to contact the undersigned in the absence of its return, completed and signed, to the undersigned in the envelope described.

If you have any questions, you may consult the authorities listed on the last page of the questionnaire.

Your correspondence indicates that you are proceeding in disregard of the statutory deadlines for your Service/Agency to complete and send a response to the Privacy Act/FOIA request where it indicates that you are refusing to do so on the erroneous assumption that the Privacy Act/FOIA request contains questions and/or indications of a challenge of any sort or variety. In the absence of documents with which to make or support such assumption(s) of a challenge existing, I have little choice but to conclude that your correspondence constitutes evidence of refusal to comply with the Privacy Act and Freedom of Information Act deadlines as it fails to contain the statutorily required elements of a satisfied request (i.e., cost for copying, et cetera). I am sure that you understand the consequences to such a refusal include entitlement to a Vaughn Index.

The contents of your correspondence, namely, your internal publication indicating "Why do you have to pay taxes" is clearly offered not for the objective truth of the matter but rather indicates your diligence (albeit diligence in support of an erroneous and undocumented assumption, indicating sheer speculation and a rather hasty eagerness to libel/label someone as a tax protestor/"challenger").

By my signature below I affirm through notary that the foregoing is honest, true and correct under penalty of perjury this Twenty-Eighth Day of the Third Month of the Year of our Lord 2007, executing same at arm's length and at Florida,

Re: Freedom of Information Act Request No. 2008USMS10982
Subject: Judge Lurana S. Snow

Dear Requester:

The United States Marshals Service (USMS) is responding to your request for a copy of an Affidavit of Judge's Domicile and a certified copy of State Cession Document for the property where Judge Snow maintains her physical domicile.

The Affidavit of Judge's Domicile is not a USMS document. Therefore, we do not maintain this document in our files.

Absent a written release from the subject(s) of your request for a certified copy of State Cession Document is being denied pursuant to Exemption (b)(6) of the Freedom of Information Act, 5 U.S.C. Section 552(b). Exemption (b)(6) personnel, medical and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. A discretionary release of such records or information, if they exist, would be in violation of the Privacy Act of 1974, 5 U.S.C. § 552a. See also United States Department of Justice v. Reporters Committee for Freedom of the Press, 489 U.S. 749 (1989).

If you are dissatisfied with my action on this request, you may appeal from this (partial) denial by writing to the Director, Office of Information and Privacy, Office of Information and Privacy, Suite 11050, 1425 New York Avenue, N.W., Department of Justice, Washington, D.C. 20530-0001, within 60 days of the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

In the event you are dissatisfied with the results of any such appeal, judicial review will thereafter be available to you in the United States District Court for the judicial district in which you reside or have your principal place of business, or in the District of Columbia.

Sincerely,

Nancy S. Robinson

Subject: Response to my "Affidavit of Judge's Domicile" and cover letter regarding Lurana S. Snow d/b/a JUDGE LURANA S. SNOW

Dear William:

In regards to your letter, first and foremost, thank you for greeting me in the correct upper case, lower case spelling of my honest name. I would ask that for the future, you would include use of zoning improvement plan numbers inside brackets as they are not relative to my abode. I respectfully would ask you to clarify several things in regards to your letter and then notify you of several consequences of said letter.

In your letter dated October 3, 2007, you state that the Affidavit of Judge's Domicile "is not a USMS document. Therefore, we do not maintain this document in our files." Please tell me who would hold the document as it is needed for evidence in an on going matter. I ask that this be done within seventy two (72) hours of receipt of this writing.

In regards to your denial of the State Cession Document and the "clearly unwarranted invasion of personal privacy" that you mention, I state the following. I have documented fraud waste and abuse and an ongoing investigation of parties now using Judge Snow to carry out there overt and obvious acts. The denial of access to the documents requested seems like another overt act to conspire with the agents being investigated. I wonder how much farther public servants under an Oath of Office to the Constitution of the United States of America (1788) will go to carry out there schemes. My reliance is that your denial of access to this public servant assures me that you e guaranteed me that the Judge has met all requirements of a lawful office and that any controverting facts will be admission of guilt and fully binding upon you at any court without your objection, protest, or that of those who represent you.

My authority for this Notice is:

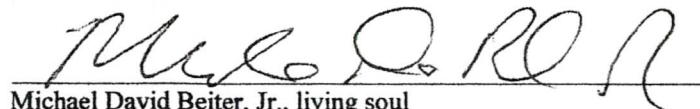

"Whatever the form in which the Government functions, anyone entering into an arrangement with the Government takes the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority...And this is so even though as here, the agent was not aware of the limitations upon his authority."

Federal Crop Insurance Corporation v. Merrill, 332 U.S. 380 at 384 (1947)

I would be amiss to ask why servants are granted these supposed protections, while those whom you serve have privacies invaded on a regular basis by rogue agents acting outside of their authority. Evidence abounds and silence will no longer work in favor of said agents.

The seal below is proof that I, the man signing and sealing below, affirm that the foregoing is honest (John 4:23-24, "The Holy Bible"), true and correct under penalty of perjury this seventh day of the tenth month of the year of our Lord 2007, at arm's length and at Levy, Florida,

Re: possible mail fraud and coercion

Dear Mr. Potter,

There are several issues that I would like to bring to your attention and I will start with the easiest to prove first and then move on to the other disturbing topic. Before I do anything however, I believe you deserve clarity in all fairness to you. I and others close to me have been severely harassed by a rogue agent working for the Internal Revenue Service. The name of the agent is Darci Smith of the Criminal Investigation Department and the levels she goes to while purporting justice are and will be proven to be downright criminal. It will be up to you to discern if I tell you this to aid myself, or give you a heads up so that when you investigate my claim, she does not drag you into her nightmare. I have a file number for an open investigation on Mrs. Smith and one of her cohorts if needed by you.

My first issue involves a piece of mail known as Express Mail. On 8/15/07 your Gainesville office accepted my offer of contract to deliver documents to one named Darci Smith. The Express Mail number was EB 032383261 US. Between the hours of 12:00 pm and 3:00 pm your website showed the named mail as being delivered. Several hours later, after someone at Darci's address received the letter your website showed the letter as undelivered. I always document my mailings as they are part of an ongoing matter. When the mail was brought back to me one of your agents found it very odd that her paperwork showed the mail as delivered and yet it was returned undelivered. I then proceeded to tell your agent about the ongoing investigation and asked if I could have the original delivery receipt, the one usually kept by your office for your records. The problem here is that someone has committed mail fraud and breach of contract, so my question to you is very simple. When one of your agents signed off on a piece of mail as being delivered, waiver of signature was applied, how does that mail show as being delivered and then suddenly change? Someone caused a breach of contract and attempted to conceal the matter. If I did not have the original and your website, it would be difficult to prove, however, I have the original and the signatures.

It would seem little ire if not for the fact that this same Darci Smith took someone into a separate office claiming to be a Postal Inspector and photo copied mail of mine previously. The person was threatened with the loss of his business if these "takings" revealed takings occurred; however, I may have to subpoena this person under penalty of perjury to help overcome his fear. All of this second issue was of course without done Judges authority to do so.

Please immediately send me any documents that must be filled out to start a criminal complaint or fraud report and I will gladly respond.

Sincerely,

Michael David Beiter Jr.

Re: PS Form 8165, attached

Dear Richard,

I thank you for your attempt to spell my name honestly in your writing dated October 16, 2007, however, using Zoning Improvement Plan Numbers in regards to my abode is wholly inappropriate. It is respectfully demanded that you properly address any writings to me and if you must add a Zoning Improvement Plan Number, then follow my format above. All waivers are and continue to be disavowed, for eternity. I have attempted to fill out a vague report and ask that all future inquiries be directed to Congressman Stearns at the address given as it is his investigation. I don't know how you came up with the determination that there "appears to be a delivery issue"? Are you using someone else's knowledge to determine such?

The U.S. Postal Inspection Service is a federal law enforcement agency. Postal Inspectors gather facts and evidence to determine whether a violation has occurred under the Mail Fraud or False Representation Statutes. While the Postal Inspection Service can't guarantee that you'll recover money lost to fraud, the information can help alert Inspectors about new fraud schemes and prevent others from being victimized.

Postal Inspectors base mail fraud investigations on the number, substance, and pattern of complaints received from the public; therefore, we ask you to keep all original documents relating to your complaint, including the solicitation, any mailing envelopes, and canceled checks. Under our Consumer Protection Program, Postal Inspectors may contact individuals or businesses on your behalf to request that complaints be resolved. We will contact you if more information is needed.

Postal Inspectors caution that, once you've been targeted in a fraud scheme, your name may be passed along to other con artists, so beware of future solicitations. If you know of others who believe they were

victimized in a fraud scheme, we recommend that you encourage them to submit a Mail Fraud Report as well.

Avoid being a victim: Postal Inspectors recommend that, before completing a business transaction, contact the Chamber of Commerce, Better Business Bureau, or county or state Office of Consumer Affairs in the area where the firm is located to get any information available on the company. If you have Internet access, you can get information from the Better Business Bureau online at: www.bbb.org, and from the individual state Attorneys General Consumer Protection Divisions at www.naag.org. Also, check the Postal Inspection Service Web site at: www.usps.gov/postalinspectors for more information on fraud schemes that involve the use of the mail.

Mr. Michael David Beiter, Jr.
5250 NE 160Th Ave
Williston, FL 32696-6423

Dear Mr. Beiter:

I have reviewed your September 4, 2007, letter addressed to John Potter, Postmaster General. Your concern with the U.S. Postal Service appears to be a delivery issue and should be taken up with your local post office. However, if you feel there is criminal issue, I have included PS Form 8165, Mail Fraud Report. You may complete the form and give it to your local Postmaster or mail to:

Inspection Service Support Group
222 S. Riverside Plaza, Suite 1250
Chicago, IL 60606-6100

You may also access PS Form 8165 online at the Postal Inspection Service web-site <http://postalinspectors.uspis.gov>. and submit electronically. (See under "Contact Us").

Regarding your reference to the Internal Revenue Service, this should be taken up with that Agency.

Sincerely,

each and every one of the attached "cc" list (after failure to rebut)

Subject: as you were previously given notice, failure to rebut

This is lawful notification to you and you are required to respond and to rebut that with which you disagree. If you fail to do so in writing to the "above and hereupon prominently displayed" honest abode address within ten (10) days then you admit to everything contained herein, fully binding upon you at any court without your objection, protest, or that of those who represent you.

As a result of instrument 2379629 (copy enclosed) recorded at Alachua County, Florida and Fed. Rules of Evidence 201 and 902, establishing an absent rebuttal, you cannot legally now claim "a rebuttal was or is expressed regarding the items recorded at the county recorder."

If you did previously rebut and you believe your rebuttal was either lost, stolen or otherwise made non-available to the undersigned, you may send a copy of your rebuttal writing to the above honest address within ten (10) days in order to be excluded from the list of those failing to rebut.

Your offices seem more angry where one uses the word "hell" in conversations yet less angry at the massive expenses involved where our government's constitutional offices and the many agents/employees contacted seem to struggle so expensively in writing my name dishonestly (seeming almost afraid to write my name honestly) but we thank you for not participating in the deprivation described at 18 USC 1346 through altering or seeming to alter my honestly presented name. My wife, children and I would thank you for that honesty, quid pro quo after we do honestly present our honest forms of address and consistently, a right recorded at Article IX for your bill of rights.

Further, congressional authorities (over twenty herewith enclosed as cited) are undermined, disregarded and abused, causing documented fraud, waste and abuse resulting in documented damages and resulting in obstructing the congressionally specified answers from said government employees. Forgive us, the family, after our brief and pointed writing here as we hope you can see from the attached "cc" list, the evidence (documented) indicates, and indicates clearly and convincingly, that our family is being mugged under color of law.

Further, those failing to rebut include many addressees of constitutional government both state and federal, including but not limited to the legislatures, attorneys general and a constitutional state's governor office, as the "cc" list attached herewith evidences.

"Whatever the form in which the Government functions, anyone entering into an arrangement with the Government takes the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority...And this is so even though as here, the agent was not aware of the limitations upon his authority."

Federal Crop Insurance Corporation v. Merrill, 332 U.S. 380 at 384 (1947)

The denial of the right to appointed counsel is pre-judicial per se. Holloway v. Arkansas, 435 U.S. 475, 489 (1978)

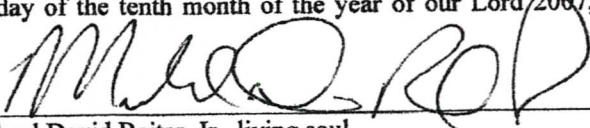

This is lawful notification to you and you are required to respond and to rebut that with which you disagree. If you fail to do so in writing to the "above and hereupon prominently displayed" honest abode address within ten (10) days then you admit to everything contained herein, fully binding upon you at any court without your objection, protest, or that of those who represent you.

Subject: Your letter dated October 15, 2007

Greetings and salutations, Honorable Congressman:

I am in receipt of your recent writing along with a very blurred writing from Steven H. Pregozen, Deputy Director of Strategy that was directed towards your office. We have previously discussed my non acceptance regarding the label constituent; however, I am compelled to ask your office why you have directed my investigation against documented activities, you legislated to be criminal; directly to their peers of common pursued interests, where both those being investigated and those to whom you referred my investigation serve and pursue common interests? Unless Mr. Pregozen is an artificial entity, then Mr. Pregozen has labeled me as your constituent in essence stating that it is your job to investigate the very matter I asked you to investigate, although I know not of his proof to label me such a constituent. He/it seems to tell you what to do.

Asking IRS to investigate IRS is an added delay where harm has been proven un rebuttably to exist, and with due regard for that reason is announced to you as an added delay of an attack on the safety and security of our family. To lesson your effort, if the Public Servant Questionnaire, a copy of which you have, is mandated by many Congressional Statutes, why are we protecting anyone if harm comes from protecting documented harmful activities. If you need reference, you have it or you may reference Florida recorded Article Number 2341121 and 2379629 addressed at Alachua County, Florida. I apologize if this writing seems abrupt; I would just like to see my wife sleep well at night.

Salutations,

Michael David Beiter Jr., non-commercial entity (living soul) in
accordance with Article IX ^{and} for your bill of rights (federal)

**Public Corruption Complaint
FBI Office Miami
North Miami Beach, Florida 33169**

**Re: Demand for Investigation of Criminal Corruption at the United States District Court
Fort Lauderdale, Florida
Subject: FGJ 05-10-04(FL), FGJ 06-04-03 (E060457-0004) and FGJ 06-04-03 (E060457-002) in
the UNITED STATES DISTRICT COURT SOUTHERN DISTRICT OF FLORIDA**

Dear Sir or Madam:

According to the Laws that govern you: I am expecting your full support, protection and defense against the rogue federal officers and federal employees of the above-noted court who are engaged in criminal acts and a pattern of racketeering activity.

As a Florida Sovereign who is a Qualified federal witness and victim, I demand an immediate racketeering investigation to ascertain their criminal acts and stop the principals from abusing their power under color of law. The principals are not acting as required by state and federal law. The principals are not acting consistent with due process of state and federal Constitutions.

Verified documents of misconduct and incompetence have been notarized and categorized and sent to all parties related in the instant matter, however withheld from the Grand Jury Foreman of said District and is against the following principals (copies available upon request):

- 1. Bertha Mitrani d/b/a BERTHA MITRANI, ASSISTANT U.S. ATTORNEY**
- 2. Darci Smith d/b/a DARCI SMITH, IRS CID**

Documentary material have been sent into the court records that substantiates my claims of criminal wrong doing by the principals under the following, however those documents (exculpatory evidence) are being withheld:

A Title 18 Crimes and Criminal Procedure:

1. *Title 18 § 241*: conspiracy against rights; and
2. *Title 18 § 242*: criminal use of the mails to threaten deprivation of rights under color of law; and
3. *Title 18 § 912*: research shows Bertha Mitrani and Darci Smith have been impersonating federal officers. No requisite documents authorizing her to preside over any federal court and Grand Jury have been located; and
4. *Title 18 § 1341*: criminal use of the mails to threaten and extort by coercive incarceration and through fraudulent, unlawful means to obtain information or tangible property; and
5. *Title 18 § 1503*: the federal employees and federal officers have conspired to impede, pervert and obstruct the due administration of justice; and,
6. *Title 18 § 1512*: tampering with a witness; and
7. *Title 18 § 1513*: retaliating against a witness; and
8. *Title 18 § 1581-1588*: threatening involuntary servitude (coerced incarceration)
9. *Title 18 § 1951*: the federal employees and federal officers have conspired to interfere with and influence the performance of my mainstream duties through coerced compliance; and

B. *Racketeer Influenced and Corrupt Organizations (RICO) Act, Title 18, United States Code, Sections 1961-1968* against a Qualified federal witness and victim:

1. *Title 18 § 1961(5) pattern of racketeering activity*: ongoing fraud and conspiracy for more than 18 months; and
2. *Title 18 § 1962*: federal officers and federal employees have violated prohibited activities, since the principals unlawfully derive income from a pattern of racketeering activity
3. *Title 18 § 1963*: criminal penalties shall be imposed the principals for violating § 1962 above.

The above-noted principals have violated their oaths as federal officers and federal employees to uphold and defend the Constitution for the United States of America (1788). The principals have a history of promoting and exercising a substantial loss or impairment of property and freedoms of expression resulting from nuisance lawsuits and vexatious litigation.

The principals usurp their federal authority by encroaching upon the lands and The People subject to the exclusive jurisdiction of the Florida Sovereignty.

The principals (who lack subject matter jurisdiction over Florida sovereigns) have engaged in and continue to engage in a pattern or practice of using excessive forceful tactics against men and women.

The principals' threats to enforce compliance are not made with any expectation of securing valid convictions, but rather are part of a plan to employ arrests, seizures, and threats of prosecution

under color of law to harass men and women to discourage them and their supporters from asserting and attempting to vindicate their state and federal constitutional rights.

The principals' threats to enforce compliance are a part of a plan to employ arrests, seizures and threats of prosecution under color of law to harass men and women to discourage them and their supporters from asserting and attempting to vindicate their state and federal civil rights.

This use of excessive forceful tactics includes but is not limited to: use of excessive threatening language against men and women who are carrying out a routine activity and either have not committed any crime, or infraction, or petty offense.

The principals (who lack subject matter jurisdiction over Florida sovereigns) have engaged and continue to engage in a pattern or practice of using the Grand Jury to build a supposed lawful process.

The principals (who lack subject matter jurisdiction over Florida sovereigns) have engaged in and continue to engage in other misbehavior, including, but not limited to conducting searches without lawful authority or in an improper manner.

The government has tolerated the misconduct of their federal employees and federal officers, through its acts or omissions. These acts or omissions include, but are not limited to:

- a. failing to implement a policy on use of force that appropriately guides the actions of its officers and employees;
- b. failing to adequately train its officers and employees to prevent the occurrence of misconduct;
- c. failing to adequately supervise its officers and employees to prevent the occurrence of misconduct;
- d. failing to adequately monitor its officers and employees who engage in or who may be likely to engage in misconduct;
- e. failing to establish a procedure whereby federal witness and victim complaints are adequately investigated;
- f. failing to adequately investigate incidents in which a federal officer or employee uses lethal or non-lethal force;
- g. failing to fairly and adequately adjudicate or review federal witness or victim complaints, and incidents in which a federal officer or employee uses lethal or non-lethal force;
- h. failing to adequately discipline federal employees or officers who engage in misconduct.

The government has engaged in and continues to engage in a pattern of practice of conduct by its federal officers and federal employees that deprives men and women of rights, privileges, or immunities secured or protected by state and federal Constitutions, or the state and federal laws.

The Attorney General is authorized under 42 U.S.C. § 14141 to eliminate a pattern or practice of federal employees and federal officers conduct that deprives men and women of rights, privileges, or immunities secured or protected by state and federal Constitutions, or the state and federal laws.

The principals in this instance should be immediately terminated from employment, impeached, sanctioned, disbarred and prosecuted to the full extent of state and federal law for their criminal acts.

Respectfully,

Michael David Beiter Jr., Florida Sovereign

each and every one of the attached "cc" list (after failure to rebut)

Subject: as you were previously given notice, failure to rebut

This is lawful notification to you and you are required to respond and to rebut that with which you disagree. If you fail to do so in writing to the "above and hereupon prominently displayed" honest abode address within ten (10) days then you admit to everything contained herein, fully binding upon you at any court without your objection, protest, or that of those who represent you.

As a result of county recorded in official records at Alachua County, Florida as instrument # 2341121 (copy enclosed) and Fed. Rules of Evidence 201 and 902, you cannot legally and in the legal absence of rebuttal now claim "a rebuttal was or is expressed regarding the items recorded at the county recorder."

If you did rebut and you believe your rebuttal was either lost, stolen or otherwise made non-available to the undersigned, you may send a copy of your rebuttal writing to the above honest address within ten (10) days in order to be excluded from the list of those failing to rebut.

Your offices seem more angry where one uses the word "hell" in conversations yet less angry where our government's constitutional offices and the many agents/employees contacted seem to struggle so expensively in writing my name dishonestly (or seem afraid to write my name honestly) but we thank you for not participating in the deprivation described at 18 USC 1346 through altering or seeming to alter my honestly presented name. My wife, children and I would thank you for that honesty, quid pro quo after we do honestly present our honest forms of address and consistently.

Further, congressional authorities (over twenty herewith enclosed as cited) are undermined, disregarded and abused, causing documented fraud, waste and abuse resulting in documented damages and resulting in obstructing the congressionally specified answers from said government employees. Forgive us, the family, for our brief and pointed writing here as we hope you can see from the attached "cc" list, the evidence (documented) indicates, and indicates clearly and convincingly, that our family is being mugged under color of law.

Further, those failing to rebut include many addressees of constitutional government, both state and federal, including but not limited to the legislatures, attorneys general and a constitutional state's governor office, as the "cc" list attached herewith evidences.

"Whatever the form in which the Government functions, anyone entering into an arrangement with the Government takes the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority...And this is so even though as here, the agent was not aware of the limitations upon his authority."

*Re: Confirmation of you're receiving of the "PUBLIC SERVANT QUESTIONNAIRE"
(PL 93-579) on March 6, 2007 along with the letter delivered with delivery confirmation
03061070000300500641, attached herein for reference.*

Dear Darci:

I am anxiously expecting your filled out "PUBLIC SERVANT QUESTIONNAIRE" (PL 93-579) and by the time you receive this I am sure the three days to perform the survey will be over. I intended to respectfully demand a notarized photo copy of the front and back of your Pocket Commissions and simply forgot to do so. Please take three additional days from receipt of this letter to forward me a notarized copy of such Commissions to the address above. I have enclosed a prepaid envelope for your convenience. I am still not sure if it is I you seek but I am hearing from friends and associates of mine that you are being very harsh and threatening to them and using a name similar to mine in the process? I am not sure why you seem so angry and confused but once again and for what I believe is the fifth time, I AM READY, WILLING AND ABLE TO PROVE UP ALL OF MY ACTIONS WITH LAW AND FACT IF IT IS IN FACT ME YOU SEEK. I will expect your Commissions and am required to inform you that the demand for your Pocket Commissions and the "PUBLIC SERVANT QUESTIONNAIRE" (PL 93-579) is for evidence in an ongoing matter. Please notify me if you intend to withhold such evidence.

Sincere regards,

Michael David Beiter Jr.

Dear Employee:

I am in receipt of your correspondence dated "March 21, 2007," attached herein for reference.

My authority for making this timely demand for verification of your authority is a matter of right and supported by the decision of the United States Supreme Court as follows:

"Whatever the form in which the Government functions, anyone entering into an arrangement with the Government takes the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority...And this is so even though as here, the agent was not aware of the limitations upon his authority."

Federal Crop Insurance Corporation v. Merrill, 332 U.S. 380 at 384 (1947)

After your recent contacts with and impacts upon the life of the undersigned, you will affix your signature to the public servant questionnaire enclosed herewith and you will return same in the envelope provided herewith and for which postage has already been obtained. I have every desire to obey all laws that apply to me, but I am fearful that any participation with you or your Service will constitute a voluntary waiver of those rights and moot any future claim to those rights.

If the above specified questionnaire is not received at the above address before 12:00 a.m. midnight (EDT) of the date of 4/10/07, you may be sued legally under charges of bad faith in accordance with your Service's revenue code and regulations, which is a suit against yourself, individually, including but not limited to suit to enjoin any and all ultra vires activity in which you are engaging now or in the future against the undersigned, and you may be found guilty of refusing to execute the mandatory questionnaire among other criminal and civil charges if you continue to contact the undersigned in the absence of its return, completed and signed, to the undersigned in the envelope described.

If you have any questions, you may consult the authorities listed on the last page of the questionnaire.

Your correspondence indicates that you are proceeding in disregard of the statutory deadlines for your Service/Agency to complete and send a response to the Privacy Act/FOIA request where it indicates that you are refusing to do so on the erroneous assumption that the Privacy Act/FOIA request contains questions and/or indications of a challenge of any sort or variety. In the absence of documents with which to make or support such assumption(s) of a challenge existing, I have little choice but to conclude that your correspondence constitutes evidence of refusal to comply with the Privacy Act and Freedom of Information Act deadlines as it fails to contain the statutorily required elements of a satisfied request (i.e., cost for copying, et cetera). I am sure that you understand the consequences to such a refusal include entitlement to a Vaughn Index.

The contents of your correspondence, namely, your internal publication indicating "Why do you have to pay taxes" is clearly offered not for the objective truth of the matter but rather indicates your diligence (albeit diligence in support of an erroneous and undocumented assumption, indicating sheer speculation and a rather hasty eagerness to libel/label someone as a tax protestor/"challenger").

By my signature below I affirm through notary that the foregoing is honest, true and correct under penalty of perjury this Twenty-Eighth day of the Third Month of the Year of our Lord 2007, executing same at arm's length and at Florida,

Re: Your writing dated October 15, 2007

In offering mercy:

"Holy" is the christ's resurrection, while addressing your non-commercial address is wholly appropriate as proven below:

1. Where your writing uses the word "inappropriate" you assert non ultra vires activity.
2. The only harm I've caused seems to be the authority I delegated to you through congress, according to your insistence, quote, "am authorized for mail theft activities and other thefts, including thefts of copy services and mail services."
3. My honest name, as you well know is, "Michael David Beiter Jr." and you also know any other lettering would be an infringement on my lawful copyright of MICHAEL DAVID BEITER JR. and all derivations thereof. You spoke to my father about the copyright and again are noticed that you will be billed at \$100,000.00 or their lawful equivalent, per violation from this point forward.
4. You will stop painting me as though I ask technical procedure questions, as the following is found binding upon you (non ultra vires) and binding upon your Service:

"The revenue laws are a code or system in regulation of tax assessment and collection. They relate to TAXPAYERS, and not to NONTAXPAYERS. The latter are without their scope. **No procedure is prescribed for nontaxpayers**, and NO attempt is made TO ANNUL any of their RIGHTS and REMEDIES in due course of law. With them Congress DOES NOT ASSUME TO DEAL, and they are neither of the SUBJECT nor of the OBJECT of the revenue laws" (Emphasis added).

ADMINISTRATION

October 18, 2007

The Honorable Cliff Stearns
U.S. House of Representatives
115 Southeast 25th Avenue
Ocala, Florida 34471

Dear Representative Stearns:

This is in response to your inquiry dated August 15, 2007, on behalf of your constituent, Michael David Beiter, Jr. The Internal Revenue Service (IRS) forwarded your letter to the Treasury Inspector General for Tax Administration (TIGTA) on September 28, 2007. Mr. Beiter alleges that an Assistant United States Attorney (AUSA) at the U.S. District Court in Fort Lauderdale, Florida, and an IRS employee, are engaging in racketeering activity and abusing their power under color of law.

We have reviewed the information you provided on behalf of your constituent. TIGTA's responsibilities include the investigation of criminal impropriety within Federal tax administration and serious misconduct by IRS employees. We are conducting a review of the allegations concerning the IRS employee and upon completion, to the extent allowable under the law, will advise you of the results.

We have determined that the allegations concerning the AUSA are within the jurisdiction and authority of the Department of Justice (DOJ). Accordingly, we have taken the liberty of forwarding your correspondence to the DOJ, Office of Legislative Affairs, for appropriate action. Subject: Your writing of October 23, 2007, and your offered interim writing(s) and TIGTA-offered interim writing(s) and IRS

Salutations, Constitutional Congressman:

From the words of your writing, or someone signing for you, and dated "October 23, 2007" only an adversarial remedy process is able to be availed while non-adversarial remedy (honest service) is non-able to be availed; our terrified family presented un rebuttable proof to you through a face-to-face "meeting-in-fact" (non-commercial) where said proof's status as "un rebuttable" occurred through the merit and substance of Federal Rules of Evidence 201 and 902 while our family was already terrified after the documented harms against our family clearly and compellingly qualify as "non-remedied" (implying greater harm to neighbors of lesser financial ability). **Stated simply, a proof-sufficient trial is already complete in substance and in structure, needing simply a constitutional government to prosecute the documented violations against already pre-scribed laws** (as the evidence recorded with a Florida county recorder proves) while our Christ-loving family now suffers through your neglect (non-exhaustively listed) and only a portion thereof as follows:

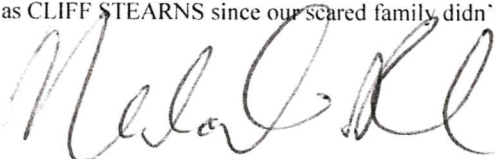

NEGLECT:

1. You wrote to FBI using words "other than" our family's words, causing FBI to react only to "other than" our family's words. FBI replied to you with a non-active mailing address yet you merit the FBI writing with validity instead of meriting your office with sufficient authority to investigate FBI's disregarding your office.
2. You wrote to IRS using words "other than" our family's words, causing IRS to react only to "other than" our family's words. You then relayed to us a writing from an entity other than IRS ("TIGTA") where said writing expresses an assumption of IRS function in replying to you instead of IRS replying to you, proving the non-adversarial remedy for our frightened family suddenly shifts into adversarial where the "TIGTA" entity (1) purports an investigation **minus our family's evidence** is already active yet without a shred of the proof requested or received from our family (the only ones who matter in starting an investigation), implying the thieves are already under investigation previous to our proof of harm against our family and (2) leaves no other interpretation possible, from the record, than that the entity "TIGTA" through that writing of October 18, 2007, attempts to impose "adversarial remedy" as a substitute in the place of "non-adversarial remedy" during our family's remedy-seeking **where the entity "TIGTA" uses the word "alleges" while referring to the Fed. Rules of Evidence 201's and 902's un rebuttable proof.**
3. Your writing of October 23 uses the words, and I quote, "your problem" and "your case" to the great alarm of law-abiding neighbors observing your writing, for the simple reason that my scared family's problems ended the minute your constitutional office received notice of the documented disregard of IRS against Congressional Statutes (numbering over twenty (20) such statutes disregarded/nullified) by agents subjected (and sworn) under such Congressional Statutes. The problem became yours at that instant, unless your Constitutional office denies such. The English dictionary shows a tremendous difference between the commonly used word "case" and "your case" as of your text.

As you were previously informed, added delay is an attack on the safety and security of our family, yet you offer "interim" efforts wholly inappropriate where, as you were also previously informed, **to lessen your effort**, the Public Servant Questionnaire, a copy of which you have, prominently displays the congressional authorities (20+ listed) IRS already disregarded un rebuttably so that, therefore, a waste of your honest efforts is found in attempting to charge IRS with a further duty using your writings today; said wasted effort is also a redundant wasted effort, since IRS **already** failed to discharge duties charged under congressional statutes authorizing said Public Servant Questionnaire so that, therefore, your attempts to charge IRS with further duty, using further writings, is a redundant wasted effort. Harms are added daily and we have attempted to help you reduce harms by mailing only first class, non registered.

We apologize for straining your constitutional office with constitutional duties. If you would like to vacate your office, we are happy to take your place as man and wife instead of the commercial "it" located in the d/b/a "CLIFF STEARNS" where Cliff Stearns does business as CLIFF STEARNS since our scared family didn't ask for interim efforts to be expended.

Your offices seem more angry where one uses the word "hell" in conversations yet less angry at the massive expenses involved where our government's constitutional offices and the many agents/employees contacted seem to struggle so expensively in writing my name dishonestly (seeming almost afraid to write my name honestly) but we thank you for not participating in the deprivation described at 18 USC 1346 through altering or seeming to alter my honestly presented name. My wife, children and I would thank you for that honesty, quid pro quo after we do honestly present our honest forms of address and consistently, a right recorded at Article IX for your bill of rights.

Further, congressional authorities (over twenty herewith enclosed as cited) are undermined, disregarded and abused, causing documented fraud, waste and abuse resulting in documented damages and resulting in obstructing the congressionally specified answers from said government employees. Forgive us, the family, after our brief and pointed writing here as we hope you can see from the attached "cc" list, the evidence (documented) indicates, and indicates clearly and convincingly, that our family is being mugged under color of law.

Further, those failing to rebut include many addressees of constitutional government both state and federal, including but not limited to the legislatures, attorneys general and a constitutional state's governor office, as the "cc" list attached herewith evidences.

"Whatever the form in which the Government functions, anyone entering into an arrangement with the Government takes the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority...And this is so even though as here, the agent was not aware of the limitations upon his authority."

**Re: Demand for Investigation of Criminal Corruption at the United States District Court

**Subject: FGJ 05-10-04(FL), FGJ 06-04-03 (E060457-0004) and FGJ 06-04-03 (E060457-002) in
the UNITED STATES DISTRICT COURT SOUTHERN DISTRICT OF FLORIDA**

Dear Sir or Madam:

According to the Laws that govern you: I am expecting your full support, protection and defense against the rogue federal officers and federal employees of the above-noted court who are engaged in criminal acts and a pattern of racketeering activity.

As a Florida Sovereign who is a Qualified federal witness and victim, I demand an immediate racketeering investigation to ascertain their criminal acts and stop the principals from abusing their power under color of law. The principals are not acting as required by state and federal law. The principals are not acting consistent with due process of state and federal Constitutions.

Verified documents of misconduct and incompetence have been notarized and categorized and sent to all parties related in the instant matter, however withheld from the Grand Jury Foreman of said District and is against the following principals (copies available upon request):

1. Bertha Mitrani d/b/a BERTHA MITRANI, ASSISTANT U.S. ATTORNEY
2. Darci Smith d/b/a DARCI SMITH, IRS CID

Documentary material have been sent into the court records that substantiates my claims of criminal wrong doing by the principals under the following, however those documents (exculpatory evidence) are being withheld:

A Title 18 Crimes and Criminal Procedure:

1. *Title 18 § 241*: conspiracy against rights; and
2. *Title 18 § 242*: criminal use of the mails to threaten deprivation of rights under color of law; and
3. *Title 18 § 912*: research shows Bertha Mitrani and Darci Smith have been impersonating federal officers. No requisite documents authorizing her to preside over any federal court and Grand Jury have been located; and
4. *Title 18 § 1341*: criminal use of the mails to threaten and extort by coercive incarceration and through fraudulent, unlawful means to obtain information or tangible property; and
5. *Title 18 § 1503*: the federal employees and federal officers have conspired to impede, pervert and obstruct the due administration of justice; and,
6. *Title 18 § 1512*: tampering with a witness; and
7. *Title 18 § 1513*: retaliating against a witness; and
8. *Title 18 § 1581-1588*: threatening involuntary servitude (coerced incarceration)
9. *Title 18 § 1951*: the federal employees and federal officers have conspired to interfere with and influence the performance of my mainstream duties through coerced compliance; and

B. *Racketeer Influenced and Corrupt Organizations (RICO) Act, Title 18, United States Code, Sections 1961-1968* against a Qualified federal witness and victim:

1. *Title 18 § 1961(5) pattern of racketeering activity*: ongoing fraud and conspiracy for more than 18 months; and
2. *Title 18 § 1962*: federal officers and federal employees have violated prohibited activities, since the principals unlawfully derive income from a pattern of racketeering activity
3. *Title 18 § 1963*: criminal penalties shall be imposed the principals for violating § 1962 above.

The above-noted principals have violated their oaths as federal officers and federal employees to uphold and defend the Constitution for the United States of America (1788). The principals have a history of promoting and exercising a substantial loss or impairment of property and freedoms of expression resulting from nuisance lawsuits and vexatious litigation.

The principals usurp their federal authority by encroaching upon the lands and The People subject to the exclusive jurisdiction of the Florida Sovereignty.

The principals (who lack subject matter jurisdiction over Florida sovereigns) have engaged in and continue to engage in a pattern or practice of using excessive forceful tactics against men and women.

The principals' threats to enforce compliance are not made with any expectation of securing valid convictions, but rather are part of a plan to employ arrests, seizures, and threats of prosecution

under color of law to harass men and women to discourage them and their supporters from asserting and attempting to vindicate their state and federal constitutional rights.

The principals' threats to enforce compliance are a part of a plan to employ arrests, seizures and threats of prosecution under color of law to harass men and women to discourage them and their supporters from asserting and attempting to vindicate their state and federal civil rights.

This use of excessive forceful tactics includes but is not limited to: use of excessive threatening language against men and women who are carrying out a routine activity and either have not committed any crime, or infraction, or petty offense.

The principals (who lack subject matter jurisdiction over Florida sovereigns) have engaged and continue to engage in a pattern or practice of using the Grand Jury to build a supposed lawful process.

The principals (who lack subject matter jurisdiction over Florida sovereigns) have engaged in and continue to engage in other misbehavior, including, but not limited to conducting searches without lawful authority or in an improper manner.

The government has tolerated the misconduct of their federal employees and federal officers, through its acts or omissions. These acts or omissions include, but are not limited to:

- a. failing to implement a policy on use of force that appropriately guides the actions of its officers and employees;
- b. failing to adequately train its officers and employees to prevent the occurrence of misconduct;
- c. failing to adequately supervise its officers and employees to prevent the occurrence of misconduct;
- d. failing to adequately monitor its officers and employees who engage in or who may be likely to engage in misconduct;
- e. failing to establish a procedure whereby federal witness and victim complaints are adequately investigated;
- f. failing to adequately investigate incidents in which a federal officer or employee uses lethal or non-lethal force;
- g. failing to fairly and adequately adjudicate or review federal witness or victim complaints, and incidents in which a federal officer or employee uses lethal or non-lethal force;
- h. failing to adequately discipline federal employees or officers who engage in misconduct.

The government has engaged in and continues to engage in a pattern of practice of conduct by its federal officers and federal employees that deprives men and women of rights, privileges, or immunities secured or protected by state and federal Constitutions, or the state and federal laws.

The Attorney General is authorized under 42 U.S.C. § 14141 to eliminate a pattern or practice of federal employees and federal officers conduct that deprives men and women of rights, privileges, or immunities secured or protected by state and federal Constitutions, or the state and federal laws.

The principals in this instance should be immediately terminated from employment, impeached, sanctioned, disbarred and prosecuted to the full extent of state and federal law for their criminal acts.

Respectfully,

Michael David Beiter Jr., Florida Sovereign

Re: Cooperation

February 27, 2007

Dear Mrs Smith,

I am able and willing to fully cooperate with any requirement you say, in writing, is imposed on me by law. Like the bible says, "Give to Caesar what's Caesar's." You've refused that cooperation from me for almost 60 days now, but to obtain my immediate cooperation with a legal requirement please don't hesitate to call and specify the legal requirement(s) in writing and in the voicemail in Florida at 866-922-1385. Also, it is respectfully Demanded that you respond to the three page "PUBLIC SERVANT'S QUESTIONNAIRE" (PL 93-579) as required of you by law and return it within three days to the above address. If there are in fact any legal requirements expected of me please also include All records, if any, of determinations or decisions made that I, Michael David Beiter Jr., have a "legal duty" to furnish personal information to you or your Service.

Sincere regards,

(PL 93-579) on March 6, 2007 along with the letter delivered with delivery confirmation
03061070000300500641, attached herein for reference.*

Dear Darci:

I am anxiously expecting your filled out "PUBLIC SERVANT QUESTIONNAIRE" (PL 93-579) and by the time you receive this I am sure the three days to perform the survey will be over. I intended to respectfully demand a notarized photo copy of the front and back of your Pocket Commissions and simply forgot to do so. Please take three additional days from receipt of this letter to forward me a notarized copy of such Commissions to the address above. I have enclosed a prepaid envelope for your convenience. I am still not sure if it is I you seek but I am hearing from friends and associates of mine that you are being very harsh and threatening to them and using a name similar to mine in the process? I am not sure why you seem so angry and confused but once again and for what I believe is the fifth time, I AM READY, WILLING AND ABLE TO PROVE UP ALL OF MY ACTIONS WITH LAW AND FACT IF IT IS IN FACT ME YOU SEEK. I will expect your Commissions and am required to inform you that the demand for your Pocket Commissions and the "PUBLIC SERVANT QUESTIONNAIRE" (PL 93-579) is for evidence in an ongoing matter. Please notify me if you intend to withhold such evidence.

Sincere regards,

Dear Employee:

I am in receipt of your correspondence dated "March 21, 2007," attached herein for reference.

My authority for making this timely demand for verification of your authority is a matter of right and supported by the decision of the United States Supreme Court as follows:

"Whatever the form in which the Government functions, anyone entering into an arrangement with the Government takes the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority...And this is so even though as here, the agent was not aware of the limitations upon his authority."

Federal Crop Insurance Corporation v. Merrill, 332 U.S. 380 at 384 (1947)

After your recent contacts with and impacts upon the life of the undersigned, you will affix your signature to the public servant questionnaire enclosed herewith and you will return same in the envelope provided herewith and for which postage has already been obtained. I have every desire to obey all laws that apply to me, but I am fearful that any participation with you or your Service will constitute a voluntary waiver of those rights and moot any future claim to those rights.

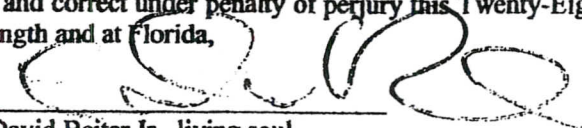

If the above specified questionnaire is not received at the above address before 12:00 a.m. midnight (EDT) of the date of 4/10/07, you may be sued legally under charges of bad faith in accordance with your Service's revenue code and regulations, which is a suit against you yourself, individually, including but not limited to suit to enjoin any and all ultra vires activity in which you are engaging now or in the future against the undersigned, and you may be found guilty of refusing to execute the mandatory questionnaire among other criminal and civil charges if you continue to contact the undersigned in the absence of its return, completed and signed, to the undersigned in the envelope described.

If you have any questions, you may consult the authorities listed on the last page of the questionnaire.

Your correspondence indicates that you are proceeding in disregard of the statutory deadlines for your Service/Agency to complete and send a response to the Privacy Act/FOIA request where it indicates that you are refusing to do so on the erroneous assumption that the Privacy Act/FOIA request contains questions and/or indications of a challenge of any sort or variety. In the absence of documents with which to make or support such assumption(s) of a challenge existing, I have little choice but to conclude that your correspondence constitutes evidence of refusal to comply with the Privacy Act and Freedom of Information Act deadlines as it fails to contain the statutorily required elements of a satisfied request (i.e., cost for copying, et cetera). I am sure that you understand the consequences to such a refusal include entitlement to a Vaughn Index.

The contents of your correspondence, namely, your internal publication indicating "Why do you have to pay taxes" is clearly offered not for the objective truth of the matter but rather indicates your diligence (albeit diligence in support of an erroneous and undocumented assumption, indicating sheer speculation and a rather hasty eagerness to libel/label someone as a tax protestor/"challenger").

By my signature below I affirm through notary that the foregoing is honest, true and correct under penalty of perjury this Twenty-Eighth Day of the Third Month of the Year of our Lord 2007, executing same at arm's length and at Florida,

Re: Your writing dated October 15, 2007

In offering mercy:

"Holy" is the christ's resurrection, while addressing your non-commercial address is wholly appropriate as proven below:

1. Where your writing uses the word "inappropriate" you assert non ultra vires activity.
2. The only harm I've caused seems to be the authority I delegated to you through congress, according to your insistence, quote, "am authorized for mail theft activities and other thefts, including thefts of copy services and mail services."
3. My honest name, as you well know is, "Michael David Beiter Jr." and you also know any other lettering would be an infringement on my lawful copyright of MICHAEL DAVID BEITER JR. and all derivations thereof. You spoke to my father about the copyright and again are noticed that you will be billed at \$100,000.00 or their lawful equivalent, per violation from this point forward.
4. You will stop painting me as though I ask technical procedure questions, as the following is found binding upon you (non ultra vires) and binding upon your Service:

"The revenue laws are a code or system in regulation of tax assessment and collection. They relate to TAXPAYERS, and not to NONTAXPAYERS. The latter are without their scope. **No procedure is prescribed for nontaxpayers**, and NO attempt is made TO ANNUL any of their RIGHTS and REMEDIES in due course of law. With them Congress DOES NOT ASSUME TO DEAL, and they are neither of the SUBJECT nor of the OBJECT of the revenue laws" (Emphasis added).

Long v. Rasmussen, 281 F.236, at 238 (1922)

Economy Plumbing and Heating v. U.S., 470 F.2d 585, at 589 (1972)

All waivers have been and continue to be disavowed. Again, all rights are reserved and we continue to ask "who is leaving Darci and her co-workers naked at our family's expense?"

In the event you don't feel naked, ask your nearest 12-year-old if the "Memorandum of Law on the Name" is understandable, which you previously received (return receipt requested). In the event something frightened you into your most recent writing, please understand, our beliefs include the christ's resurrection. **Attempts to legislate what scripture expressly condemns convince us not, regarding legislator ability to protect us against God's wrath after we are resurrected.**

Please govern you, your self, and "your" Service accordingly.

Honestly (per John 4:23-24, "The Holy Bible"),

Your offices seem more angry where one uses the word "hell" in conversations yet less angry where our government's constitutional offices and the many agents/employees contacted seem to struggle so expensively in writing my name dishonestly (or seem afraid to write my name honestly) but we thank you for not participating in the deprivation described at 18 USC 1346 through altering or seeming to alter my honestly presented name. My wife, children and I would thank you for that honesty, quid pro quo after we do honestly present our honest forms of address and consistently.

Further, congressional authorities (over twenty herewith enclosed as cited) are undermined, disregarded and abused, causing documented fraud, waste and abuse resulting in documented damages and resulting in obstructing the congressionally specified answers from said government employees. Forgive us, the family, for our brief and pointed writing here as we hope you can see from the attached "cc" list, the evidence (documented) indicates, and indicates clearly and convincingly, that our family is being mugged under color of law.

Further, those failing to rebut include many addressees of constitutional government, both state and federal, including but not limited to the legislatures, attorneys general and a constitutional state's governor office, as the "cc" list attached herewith evidences.
