Re: **Ascertaining your authority**

Dear Jed:

Last week a public officer handed all of my exculpatory evidence over to a supposed Grand Jury at the UNITED STATES DISTRICT COURT, SOUTHERN DISTRICT OF FLORIDA. Bertha Mitrani took the evidence, all of which is unrebuttable according to Congressional Statutes Fed. Rules of Evidence 201, 902 and, therefore, I'm relying on the fact she and her cohorts have not given the evidence to the supposed Grand Jury in Quorum and it is being withheld from your office as well so that my family and I can rely on the same and move forward with our lives. Please note that every single page and document was and continues to be accounted for and authenticated by several different Officers of the Court. I pray not one page is missing for the sake of all involved. If it helps you, there is two very large folders titled exactly as seen and typed here "Property of: Michael David Beiter Jr., living soul", that was handed to the supposed Grand Jury in Quorum, which was intercepted by Bertha.

I heard you where at that supposed Grand Jury in Quorum and am relying on the fact that you saw the exculpatory evidence handed to the supposed Grand Jury in Quorum. My reliance is that you work very hard to make sure each and every supposed juror gets a copy of the complete exculpatory evidence.

I am sending you the attached PUBLIC SERVANT QUESTIONAIRRE (PSQ) and please take no longer than ten business days (10), Saturdays included to respond.

My authority for making this timely demand for verification of your authority is a matter of right and supported by the decision of the United States Supreme Court as follows:

"Whatever the form in which the Government functions, anyone entering into an arrangement with the Government **takes** [for **emphasis**] the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority...And this is so even though as here, the agent was not aware of the limitations upon his authority."  
Federal Crop Insurance Corporation v. Merrill, 332 U.S. 380 at 384 (1947)

By my signature below I affirm that the foregoing is honest, true and correct under penalty of perjury this Fifth Day of the Ninth Month of the Year of our Savior 2007, executing same at arm's length and at Alachua, Florida,

**In Re: RESPECTFUL (AS DEFINED TO "LOOK MORE THAN ONCE") AND TIMELY NOTICE AND DEMAND though our family's children less than 18 years aged may interpret, instead, "liar liar pants on fire" at court**

Jed Silversmith, living, breathing, flesh man:

So here we are again Jed. I believe I am correct in stating that this is your third attempt to conspire against me with a supposed Grand Jury Hearing. Did Bertha Mitrani become weary of signing supposed "Subpoenas." As you all well know, the first two attempts, FGJ 05-10-04 FTL and FGJ 06-04-03 (E060457-004) were more than just utter failures for you, since you each created the volumes of exculpatory evidence for exculpatory evidence documentary that I now hold, at several places. The exculpatory evidence clearly proves the crimes perpetrated since you authored so much of the exculpatory information, through and by your efforts for causation for your cohorts or for you, ultra vires. In your last attempt to hide evidence from the Grand Jury, Karen Vulgamore, an Officer of the Court, actually brought two volumes of such exculpatory evidence into the supposed hearing. Are you hiding that exculpatory evidence from this new "Grand Jury" Jed or did you send the items the first "Grand Jury" "in quorum" (20 good Americans, using common sense) used for shutting down each indictment attempt for the second and third and fourth "grand juries."

I feel it soothing to my soul to list all of the names of those I either believe or know at this point are conspiring with you. How do I know? I am staring at all of the un rebuttable proof of harms while relying on a Grand Jury NOT being convened, after relying on a Grand Jury BEING convened. I of course will be Demanding that you hand all of this exculpatory evidence to your new jury (other than a petit jury constitutional) and will be tracing every step you make along the way and must notice you that Bertha has received a previous billing rate for my time (irreparable harm repaired best my family can repair irreparable harm, unless you can mail my time addressed for my biological benefit with interest, if any, accrued). If you need a copy of the billing rates, please request one otherwise I will know you have received it. The volumes have grown since you last received the exculpatory evidence so let me know where the Grand Jury in quorum and/or Grand Jury Foreperson receives mail and I will promptly send a certified copy via a process server. I stopped trusting you guys after the first dishonorable act.

As for those who have an obligation in this matter, the list of agents comes easily for you highly trained government employees (a conflict of interest commercial) for our oaths-upheld (billable) constitutions:

1. Roger Stefin d/b/a ROGER STEFFIN, ASSISTANT U.S. ATTORNEY;
2. R. Alexander Acosta d/b/a R. ALEXANDER ACOSTA, U.S. ATTORNEY;

7. Both former Grand Juries if in fact they did receive my Exculpatory Evidence;
8. Clarence Maddox d/b/a CLARENCE MADDOX, CLERK;
9. Carmon L. Mallon d/b/a CARMON L. MALLON, CHIEF OF STAFF, "FOIA";
10. William G. Stewart d/b/a WILLIAM G. STEWART, ACTING ASSISTANT DIRECTOR;
11. Darlene Stewart d/b/a DARLENE STEWART, DISCLOSURE OFFICER;

24. U. S. Department of Justice;
25. Steven M. Jones d/b/a STEVEDN M. JONES, DEPUTY INSPECTOR GENERAL, TREASURY;
26. Charlie Crist d/b/a CHARLIE CRIST, GOVERNOR.

As for you Jed, you're a hard man to find and there is a certain piece of register mail that cannot even be traced on line with USPS. Do you remember the mail you received Express Mail 032383301. If your memory fails you, you accepted all terms of said mailing and by failing and refusing to act honorably, you violated at least twenty three pre-scribed Congressional Statutes. I found the address interesting to begin with, but its one you gave out. I have attached a copy to help rattle your memory and give you another chance to do what Congress mandates for you. Take three days (72 hours) to complete the mandatory Public Servant's Questionnaire and return to me. I am relying on your non response as admission of guilt in all future proceedings Jed.

In ending Jed, where is my remedy. Specify my remedy. If you want to add to the list of crimes, ignore this writing and others as many of your cohorts have done. I have MUCH exculpatory Evidence and am relying on you to notify the Grand Jury Foreperson immediately. My wife and kids are all out of tears and the tears have subsided. If this continues, bring the wagon Jed because people will be going to jail once I see any Grand Jury.

A small sample of exculpatory evidence attached herein:

1. Unrebuttable proof of harms exhibited, recorded on October 18, 2007, titled "Declaration (Affidavit of Truth and true bill) of Michael David Beiter Jr., (34 pages);
2. RE STATUS VIA W-8BEN with Full discharge of matter at hand, (10 pages);
3. Apostilled "Voluntary General Lien", (2 pages);

the UNITED STATES DISTRICT COURT SOUTHERN DISTRICT OF FLORIDA**

Dear Sir or Madam:

According to the Laws that govern you: I am expecting your full support, protection and defense against the rogue federal officers and federal employees of the above-noted court who are engaged in criminal acts and a pattern of racketeering activity.

As a Florida Sovereign who is a Qualified federal witness and victim, I demand an immediate racketeering investigation to ascertain their criminal acts and stop the principals from abusing their power under color of law. The principals are not acting as required by state and federal law. The principals are not acting consistent with due process of state and federal Constitutions.

Verified documents of misconduct and incompetence have been notarized and categorized and sent to all parties related in the instant matter, however withheld from the Grand Jury Foreman of said District and is against the following principals (copies available upon request):

1. Bertha Mitrani d/b/a BERTHA MITRANI, ASSISTANT U.S. ATTORNEY
2. Darci Smith d/b/a DARCI SMITH, IRS CID

Documentary material have been sent into the court records that substantiates my claims of criminal wrong doing by the principals under the following, however those documents (exculpatory evidence) are being withheld:

*A Title 18 Crimes and Criminal Procedure:*

1. *Title 18 § 241*: conspiracy against rights; and
2. *Title 18 § 242*: criminal use of the mails to threaten deprivation of rights under color of law; and
3. *Title 18 § 912*: research shows Bertha Mitrani and Darci Smith have been impersonating federal officers. No requisite documents authorizing her to preside over any federal court and Grand Jury have been located; and
4. *Title 18 § 1341*: criminal use of the mails to threaten and extort by coercive incarceration and through fraudulent, unlawful means to obtain information or tangible property; and
5. *Title 18 § 1503*: the federal employees and federal officers have conspired to impede, pervert and obstruct the due administration of justice; and,
6. *Title 18 § 1512*: tampering with a witness; and
7. *Title 18 § 1513*: retaliating against a witness; and
8. *Title 18 § 1581-1588*: threatening involuntary servitude (coerced incarceration)
9. *Title 18 § 1951*: the federal employees and federal officers have conspired to interfere with and influence the performance of my mainstream duties through coerced compliance; and

**B. *Racketeer Influenced and Corrupt Organizations (RICO) Act, Title 18, United States Code, Sections 1961-1968* against a Qualified federal witness and victim:**

1. *Title 18 § 1961(5) pattern of racketeering activity*: ongoing fraud and conspiracy for more than 18 months; and
2. *Title 18 § 1962*: federal officers and federal employees have violated prohibited activities, since the principals unlawfully derive income from a pattern of racketeering activity
3. *Title 18 § 1963*: criminal penalties shall be imposed the principals for violating § 1962 above.

The above-noted principals have violated their oaths as federal officers and federal employees to uphold and defend the Constitution for the United States of America (1788). The principals have a history of promoting and exercising a substantial loss or impairment of property and freedoms of expression resulting from nuisance lawsuits and vexatious litigation.

The principals usurp their federal authority by encroaching upon the lands and The People subject to the exclusive jurisdiction of the Florida Sovereignty.

The principals (who lack subject matter jurisdiction over Florida sovereigns) have engaged in and continue to engage in a pattern or practice of using excessive forceful tactics against men and women.

The principals' threats to enforce compliance are not made with any expectation of securing valid convictions, but rather are part of a plan to employ arrests, seizures, and threats of prosecution

under color of law to harass men and women to discourage them and their supporters from asserting and attempting to vindicate their state and federal constitutional rights.

The principals' threats to enforce compliance are a part of a plan to employ arrests, seizures and threats of prosecution under color of law to harass men and women to discourage them and their supporters from asserting and attempting to vindicate their state and federal civil rights.

This use of excessive forceful tactics includes but is not limited to: use of excessive threatening language against men and women who are carrying out a routine activity and either have not committed any crime, or infraction, or petty offense.

The principals (who lack subject matter jurisdiction over Florida sovereigns) have engaged and continue to engage in a pattern or practice of using the Grand Jury to build a supposed lawful process.

The principals (who lack subject matter jurisdiction over Florida sovereigns) have engaged in and continue to engage in other misbehavior, including, but not limited to conducting searches without lawful authority or in an improper manner.

The government has tolerated the misconduct of their federal employees and federal officers, through its acts or omissions. These acts or omissions include, but are not limited to:

- a. failing to implement a policy on use of force that appropriately guides the actions of its officers and employees;
- b. failing to adequately train its officers and employees to prevent the occurrence of misconduct;
- c. failing to adequately supervise its officers and employees to prevent the occurrence of misconduct;
- d. failing to adequately monitor its officers and employees who engage in or who may be likely to engage in misconduct;
- e. failing to establish a procedure whereby federal witness and victim complaints are adequately investigated;
- f. failing to adequately investigate incidents in which a federal officer or employee uses lethal or non-lethal force;
- g. failing to fairly and adequately adjudicate or review federal witness or victim complaints, and incidents in which a federal officer or employee uses lethal or non-lethal force;
- h. failing to adequately discipline federal employees or officers who engage in misconduct.

The government has engaged in and continues to engage in a pattern of practice of conduct by its federal officers and federal employees that deprives men and women of rights, privileges, or immunities secured or protected by state and federal Constitutions, or the state and federal laws.

The Attorney General is authorized under 42 U.S.C. § 14141 to eliminate a pattern or practice of federal employees and federal officers conduct that deprives men and women of rights, privileges, or immunities secured or protected by state and federal Constitutions, or the state and federal laws.

The principals in this instance should be immediately terminated from employment, impeached, sanctioned, disbarred and prosecuted to the full extent of state and federal law for their criminal acts.

Respectfully,

Michael David Beiter Jr., Florida Sovereign

Rules of Evidence 201 and 902, you cannot legally and in the legal absence of rebuttal now claim "a rebuttal was or is expressed regarding the items recorded at the county recorder."

If you did rebut and you believe your rebuttal was either lost, stolen or otherwise made non-available to the undersigned, you may send a copy of your rebuttal writing to the above honest address within ten (10) days in order to be excluded from the list of those failing to rebut.

Your offices seem more angry where one uses the word "hell" in conversations yet less angry where our government's constitutional offices and the many agents/employees contacted seem to struggle so expensively in writing my name dishonestly (or seem afraid to write my name honestly) but we thank you for not participating in the deprivation described at 18 USC 1346 through altering or seeming to alter my honestly presented name. My wife, children and I would thank you for that honesty, quid pro quo after we do honestly present our honest forms of address and consistently.

Further, congressional authorities (over twenty herewith enclosed as cited) are undermined, disregarded and abused, causing documented fraud, waste and abuse resulting in documented damages and resulting in obstructing the congressionally specified answers from said government employees. Forgive us, the family, for our brief and pointed writing here as we hope you can see from the attached "cc" list, the evidence (documented) indicates, and indicates clearly and convincingly, that our family is being mugged under color of law.

Further, those failing to rebut include many addressees of constitutional government, both state and federal, including but not limited to the legislatures, attorneys general and a constitutional state's governor office, as the "cc" list attached herewith evidences.

"Whatever the form in which the Government functions, anyone entering into an arrangement with the Government takes the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority...And this is so even though as here, the agent was not aware of the limitations upon his authority."

Federal Crop Insurance Corporation v. Merrill, 332 U.S. 380 at 384 (1947)

The denial of the right to appointed counsel is pre-judicial per se. Holloway v. Arkansas, 435 U.S. 475, 489 (1978)

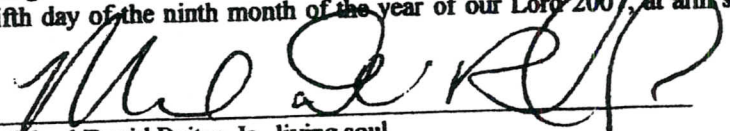

This is lawful notification to you and you are required to respond and to rebut that with which you disagree. If you fail to do so in writing to the "above and hereupon prominently displayed" honest abode address within ten (10) days then you admit to everything contained herein, fully binding upon you at any court without your objection, protest, or that of those who represent you.

**Enclosures:**

1. Public servant questionnaire from congressional authority (displaying 20+ "non-repealed" citations of authority)
2. Public servant questionnaires, sent but dishonored, citing "registered or certified mail tracking numbers"
3. Verified Affidavit of Michael David Beiter Jr.

February 27, 2007

Dear Mrs Smith,

I am able and willing to fully cooperate with any requirement you say, in writing, is imposed on me by law. Like the bible says, "Give to Caesar what's Caesar's." You've refused that cooperation from me for almost 60 days now, but to obtain my immediate cooperation with a legal requirement please don't hesitate to call and specify the legal requirement(s) in writing and in the voicemail in Florida at 866-922-1385. Also, it is respectfully Demanded that you respond to the three page "PUBLIC SERVANT'S QUESTIONNAIRE" (PL 93-579) as required of you by law and return it within three days to the above address. If there are in fact any legal requirements expected of me please also include All records, if any, of determinations or decisions made that I, Michael David Beiter Jr., have a "legal duty" to furnish personal information to you or your Service.

Sincere regards,

(PL 93-579) on March 6, 2007 along with the letter delivered with delivery confirmation  
03061070000300500641, attached herein for reference.*

Dear Darci:

I am anxiously expecting your filled out "PUBLIC SERVANT QUESTIONNAIRE" (PL 93-579) and by the time you receive this I am sure the three days to perform the survey will be over. I intended to respectfully demand a notarized photo copy of the front and back of your Pocket Commissions and simply forgot to do so. Please take three additional days from receipt of this letter to forward me a notarized copy of such Commissions to the address above. I have enclosed a prepaid envelope for your convenience. I am still not sure if it is I you seek but I am hearing from friends and associates of mine that you are being very harsh and threatening to them and using a name similar to mine in the process? I am not sure why you seem so angry and confused but once again and for what I believe is the fifth time, I AM READY, WILLING AND ABLE TO PROVE UP ALL OF MY ACTIONS WITH LAW AND FACT IF IT IS IN FACT ME YOU SEEK. I will expect your Commissions and am required to inform you that the demand for your Pocket Commissions and the "PUBLIC SERVANT QUESTIONNAIRE" (PL 93-579) is for evidence in an ongoing matter. Please notify me if you intend to withhold such evidence.

Sincere regards,

Dear Employee:

I am in receipt of your correspondence dated "March 21, 2007," attached herein for reference.

My authority for making this timely demand for verification of your authority is a matter of right and supported by the decision of the United States Supreme Court as follows:

"Whatever the form in which the Government functions, anyone entering into an arrangement with the Government takes the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority...And this is so even though as here, the agent was not aware of the limitations upon his authority."  
Federal Crop Insurance Corporation v. Merrill, 332 U.S. 380 at 384 (1947)

After your recent contacts with and impacts upon the life of the undersigned, you will affix your signature to the public servant questionnaire enclosed herewith and you will return same in the envelope provided herewith and for which postage has already been obtained. I have every desire to obey all laws that apply to me, but I am fearful that any participation with you or your Service will constitute a voluntary waiver of those rights and moot any future claim to those rights.

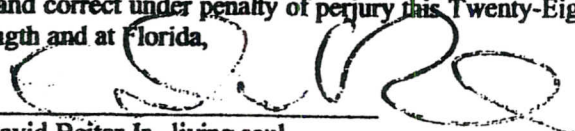

If the above specified questionnaire is not received at the above address before 12:00 a.m. midnight (EDT) of the date of 4/10/07, you may be sued legally under charges of bad faith in accordance with your Service's revenue code and regulations, which is a suit against yourself, individually, including but not limited to suit to enjoin any and all ultra vires activity in which you are engaging now or in future against the undersigned, and you may be found guilty of refusing to execute the mandatory questionnaire among other criminal and civil charges if you continue to contact the undersigned in the absence of its return, completed and signed, to the undersigned in the envelope described.

If you have any questions, you may consult the authorities listed on the last page of the questionnaire.

Your correspondence indicates that you are proceeding in disregard of the statutory deadlines for your Service/Agency to complete and send a response to the Privacy Act/FOIA request where it indicates that you are refusing to do so on the erroneous assumption that the Privacy Act/FOIA request contains questions and/or indications of a challenge of any sort or variety. In the absence of documents with which to make or support such assumption(s) of a challenge existing, I have little choice but to conclude that your correspondence constitutes evidence of refusal to comply with the Privacy Act and Freedom of Information Act deadlines as it fails to contain the statutorily required elements of a satisfied request (i.e., cost for copying, et cetera). I am sure that you understand the consequences to such a refusal include entitlement to a Vaughn Index.

The contents of your correspondence, namely, your internal publication indicating "Why do you have to pay taxes" is clearly offered not for the objective truth of the matter but rather indicates your diligence (albeit diligence in support of an erroneous and undocumented assumption, indicating sheer speculation and a rather hasty eagerness to libel/label someone as a tax protestor/"challenger").

By my signature below I affirm through notary that the foregoing is honest, true and correct under penalty of perjury this Twenty-Eighth day of the Third Month of the Year of our Lord 2007, executing same at arm's length and at Florida,

This Registered Surety Bond under seal duly establishes, by my witness, the good credit, in lawful specie money, of Michael David Beiter Jr.

I do make this surety, pledge and bond, under my seal, as my full faith and credit guarantee to any lawful Bill, duly presented to me under seal, signed under penalties of perjury, in lawful specie money of account of the United States of America, in the matter of correct public judicial/corporate actions in the forum of Original Jurisdiction and Original Rules, for the benefit and credit of Michael David Beiter Jr., and his heirs and assigns.

The specific intent of this Registered Surety Bond under Seal is to establish, by my witness, the good credit, in lawful specie dollars of the United States of America, in the sum certain amount of at least **twenty-one dollars in silver coinage**, minted by the American Treasury of the United States of America and which carry no debt obligations worldwide, available to bond the actions of Michael David Beiter Jr., Further, in reservation of rights under common law and customs of the United States of America, Original Jurisdiction and Original Rules, Michael David Beiter Jr., has, before this assembly of witnesses, caused to be issued this bond of identity and character in tender of **twenty-one dollars silver**, being positive proof and competent evidence that Michael David Beiter Jr., cannot be bankrupt or be a vagrant or be a ward of the State, or be the *dolus* trust "MICHAEL D. BEITER JR."<sup>o</sup>, a legal entity, and is not acting in *cessio bonorum*.

The life of this Registered Surety Bond covers a period of two years from the date of issue, unless the plaintiff enters a true bill of particulars into evidence in the case of Michael David Beiter Jr., along with all related causes of action, your advice of counsel, i.e., who do you work for, and information with testamentary documentation, signed under the penalties of perjury. In that case, the life of this Registered Surety Bond will be extended for a period of two years after such documentation is presented. By the witnessed signature, authentication and seal of me, Michael David Beiter Jr., living soul, in my capacity as beneficiary of the Original Jurisdiction, as surety and guarantor, I hereby and herein confirm, attest, and affirm this Registered Surety Bond. Any and all assumptions and/or presumptions are required to be proven in writing, and signed and sealed before three witnesses, in order to be a valid response.

Failure to, within three business days of receipt, respond to, request additional time for responding for, or refute the foregoing Registered Surety Bond, point for point, is a default, and the adverse party is collaterally estopped from any further adversarial actions against Michael David Beiter Jr., and for good cause not limited to the laws of collateral estoppel, coercion, fraud and want of jurisdiction of the subject-matter, Michael David Beiter Jr., living soul, demands that the cause(s) be vacated and dismissed, and that the accounts be immediately discharged with prejudice. It is hereby made plain and clear that the said failure of response or rebuttal, under penalties of perjury, clearly defines the adverse party's assent to the foregoing Registered Surety Bond, and that a fault exists creating fraud through material misrepresentation that vitiates all forms, contracts, testimony, agreements, etc., both expressed or implied, from the beginning, of which the adverse party is relying on, and there is no longer permission by consent or assent for any demand of payment being ordered or levied against Michael David Beiter Jr. Michael David Beiter Jr., further demands that the record of the cause(s) be expunged. Failure to comply with the foregoing Registered Surety Bond, within three business days of receipt, will negate the adverse party's remedies. Any third-parties serving on the cause(s) will be liable for civil and criminal prosecution.

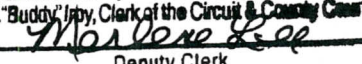

Notice to principal is notice to agent. Notice to agent is notice to principal. **Equality UNDER THE LAW is paramount and mandatory by law.** I, Michael David Beiter Jr., living soul, hereby and herein explicitly reserve all of my rights without recourse, and I hereby and herein claim my right to common law jurisdiction and refuse statutory jurisdiction and/or admiralty jurisdiction.

Asseverated, signed and issued, in good faith and with clean hands, without *dolus*, on this the thirty first day of the eighth month in the year of our Lord, two-thousand, seven, at the county of Alachua.

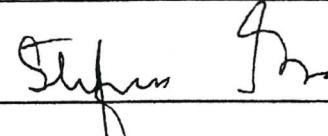

Teste Meipso.

## **In Re: RESPECTFUL (AS DEFINED TO "LOOK MORE THAN ONCE") AND TIMELY NOTICE AND DEMAND**

**Though our family's children less than 18 years aged may interpret, instead, "liar liar pants on fire" at court**

Jed Silversmith, living, breathing, flesh man:

So here we are again Jed. I believe I am correct in stating that this is your third attempt to conspire against me with a supposed Grand Jury Hearing. Did Bertha Mitrani become weary of signing supposed "Subpoenas." As you all well know, the first two attempts, FGJ 05-10-04 FTL and FGJ 06-04-03 (E060457-004) where more than just utter failures for you, since you each created the volumes of exculpatory evidence for exculpatory evidence documentary that I now hold, at several places. The exculpatory evidence clearly proves the crimes perpetrated since you authored so much of the exculpatory information, through and by your efforts for causation for your cohorts or for you, ultra vires. In your last attempt to hide evidence from the Grand Jury, Karen Vulgamore, an Officer of the Court, actually brought two volumes of such exculpatory evidence into the supposed hearing. Are you hiding that exculpatory evidence from this new "Grand Jury" Jed or did you send the first "Grand Jury" "in quorum" (20 good Americans, using common sense) used for shutting down each indictment attempt for the second and third and fourth "grand juries."

I feel it soothing to my soul to list all of the names of those I either believe or know at this point are conspiring with you. How do I know? I am staring at all of the un rebuttable proof of harms while relying on a Grand Jury NOT being convened, after relying on a Grand Jury BEING convened. I of course will be Demanding that you hand all of this exculpatory evidence to your new jury (other than a petit jury constitutional) and will be tracing every step you make along the way and must notice you that Bertha has received a previous billing rate for my time (irreparable harm repaired best my family can repair irreparable harm, unless you can mail my time addressed for my biological benefit with interest, if any, accrued.) If you need a copy of the billing rates, please request one otherwise I will know you have received it. The volumes have grown since you last received the exculpatory evidence so let me know where the Grand Jury in quorum and/or Grand Jury Foreperson receives mail and I will promptly send a certified copy via a process server. I stopped trusting you guys after the first dishonorable act.

As for those who have an obligation in this matter, the list of agents comes easily for you highly trained government employees (a conflict of interest commercial) for our oaths-upheld (billable) constitutions:

As for you Jed, you're a hard man to find and there is a certain piece of register mail that cannot even be traced on line with USPS. Do you remember the mail you received Express Mail 032383301. If your memory fails you, you accepted all terms of said mailing and by failing and refusing to act honorably, you violated at least twenty three prescribed Congressional Statutes. I have attached a copy to help rattle your memory and give you another chance to do what Congress mandates for you. Take three days (72 hours) to complete the mandatory Public Servant's Questionnaire and return to me. I am relying on your non response as admission of guilt in all future proceedings Jed.

In ending Jed, where is my remedy. Specify my remedy. If you want to add to the list of crimes, ignore this writing and others as many of your cohorts have done. I have MUCH exculpatory evidence and am relying on you to notify the Grand Jury Foreperson immediately. My wife and kids are all out of tears and the tears have subsided. If this continues, bring the wagon Jed because people will be going to jail once I see any Grand Jury.

A small sample of exculpatory evidence attached herein:

1. Unrebuttable proof of harms exhibited, recorded on October 18, 2007, titled "Declaration (Affidavit of Truth and true bill) of Michael David Beiter jr., (34 pages);
2. RE STATUS VIA W8-BEN with full discharge of matter at hand, (10 pages);
3. Apostilled "Voluntary General Lien", (2 pages);
4. Previous writing to Jed silversmith with Public Servant Questionnaire, (5 pages).

**In Re: FOURTH ATTEMPT FOR PRIVACY ACT REQUEST, PREVIOUS THREE ATTEMPTS SHALL HAVE BEEN IGNORED THROUGH YOUR COHORTS NAMED ON WRITING (CONTRACT DATED 2/15/08) YOU WAIVED WITHOUT RIGHT, WITHOUT ABILITY, WITHOUT POWER, WITHOUT PRIVILEGE, POOR DECLARATION OF INDEPENDENCE DERIVING POWER FROM CONSENT**

Jed Silversmith, living, breathing, flesh man:

As you are and other were being notified, proven using un rebuttable evidence, I shall have had over three Freedom of Information Act Requests (FOIA), completely ignored by your cohorts though Title 5 for Privacy Act allows correcting errors on your records if you would only comply with your Privacy Act deadlines, FOIA deadlines (proven of USPS green cardboard proofs plus expense records corroborating same exist of USPS intent and of our family's intent). We believe and know finding someone who does other than completely ignore the "offered laws" sourced of the Privacy Act, sourced of FOIA, sourced of YOU, basically advertised of you (yes, you comprehend). Attached herfor is the exact request of what we intend and we respectfully de-mand you immediately forward each and every thing you've received for your receivership of our sendership, a re-sentment vile if one is honest, addressed for someone who obeys the law's under which who does self-subject, using oath or job application, and respond. I hope you are different in comparing the others, Jed, as the others can other than escape the mountain of clear, direct and to the point evidence piled "yea" high sourced of the others, other than you, piled "yea" high next to us and photocopied for safe locations in the event one, during war, intends causing riots through the treatment imposed on us and intends raiding for causing "convenient exculpatories, convenient proofs vanishing." Please try keeping in mind all waivers are expressly disavowed forever since my duty for "re-specting" your "final" position (whether silence for other than self-incrimination or otherwise) ends at specting your final position only twice, specting my highly trained, highly paid elders' final positions only and merely twice, for purposes of de-mand

*Use of a Notary Public for seal constitutes other than adhesion and does other than alter my neutral status At law (in itinere for original Common Law jurisdiction of your saving to suitors clause, First Congress, Chapter 20, First Session). Steele Pretrial Motion #3  
Motion to dismiss Grand Jury indictment crim no. 99-9-A  
Specifically relevant in convening quorum for multiple  
Grand Juries.  
Case: U.S. vs. Julie Hiatt Steck (1999)

Every defendant has a Constitutional right under the Fifth Amendment's due process clause to an informed and unbiased grand jury. Wood, 370 U.S. at 390; United States v. Lawson, 502 F.Supp. 158, 172 (D.Md. 1980). When the government excessively uses hearsay evidence or summaries of witness testimony before a grand jury, the grand jury's return of an indictment is inherently suspect because the grand jury is likely not to have been as informed as required under the Fifth Amendment. United States v. Umans, 368 F.2d 725, 730 (2<sup>nd</sup> Cir. 1966), cert. granted, 368 U.S. 940, cert. dismissed, 389 U.S. 80 (1967).

[E]xcessive use of hearsay in the presentation of government cases to grand juries tends to destroy the historical function of grand juries in assessing the likelihood of prosecutorial success and tends to destroy the protection from unwarranted prosecutions that grand juries are supposed to afford to the innocent. Hearsay evidence should only be used when direct testimony is unavailable or when it is demonstrably inconvenient to summon witnesses able to testify to facts from personal knowledge.

Id. at 730-1. See also United States v. Payton, 363 F.2d 996, 999-1001 (2<sup>nd</sup> Cir. 1966) (Friendly, J. dissenting) (relying solely on hearsay in presenting a case to the grand jury "makes a mockery of the Fifth Amendment's 'guarantee'"); United States v. Arcuri, 282 F.Supp. 347 (E.D.N.Y. 1968) (a grand jury provided solely with hearsay and summary evidence "is unable to adequately serve its function as a screening agency. It cannot exercise its judgment in refusing to indict in weak cases where, technically, a prima facie case has been made out. It is, moreover, unlikely to demand additional evidence.")

Where the government has relied heavily on hearsay or summary evidence, particularly when using more than one grand jury to return an indictment, courts have found that dismissal of the indictment may be appropriate. See United States v. Samango, 607 F.2d 877 (9<sup>th</sup> Cir. 1979) (dismissing indictment for multitude of grand jury abuses, particularly in presentation

"Exhibit 5"

of evidence to three separate grand juries, the third of which received only one live witness and the rest of the evidence in summary or transcript form); Arcuri, 282 F.Supp. at 347 (refusing to dismiss indictment after extensive use of hearsay evidence and summaries where better evidence was available for use *only* because the U.S. Attorney's office had changed policy to not allow further violations, and defendants had been tried and convicted); United States v. Carcaise, 442 F.Supp. 1209 (M.D.Fla. 1978) (dismissing indictment where prosecutor failed to read entirety of key testimony to grand jury that was relying on summarization of testimony and documents to indict).

The use of four grand juries in two jurisdictions to indict Ms. Steele warrants dismissal even without further examination of the record. Grand Jury 98-2 in this District returned the indictment against Ms. Steele. This grand jury had to have been presented with largely hearsay and/or summary evidence, because neither Ms. Steele, nor any of the witnesses of whom she is aware who appeared in this District, appeared before Grand Jury 98-2.

The use of multiple grand juries, and its attendant hearsay, summaries and transcripts, is particularly improper in this case, where the charge(s) in the indictment boil down to a credibility contest between Ms. Steele and Willey about a single issue. Not having seen or heard Ms. Steele, and in all likelihood not having seen or heard Willey or other crucial witnesses in this case, it is inconceivable that Grand Jury 98-2 could have been "informed and unbiased" enough to return an indictment that hinges on the difference between Ms. Steele's testimony and that of Willey.

The record also demonstrates that Grand Jury 98-2 could not have been an unbiased grand jury. First, as discussed at length in Ms. Steele's Motion to Dismiss the Indictment for Prosecutorial Misconduct: Ethical Violations, Steele Pretrial Motion No. 2, the OIC was previously biased by Mr. Starr's and his firm's prior participation in the Jones v. Clinton lawsuit. The OIC's bias is more fully discussed in that motion.

Second, the OIC improperly commented before Grand Jury 98-1 on Ms. Steele's assertion of the Fifth Amendment by implying that her assertion was made with the purpose of hiding criminal conduct. See Va. Transcript a 7-8 ("MR BARGER: Let me just tell the members of the grand jury in your presence

any witness has a right to invoke their Fifth Amendment rights if a truthful answer to the question might incriminate them.") This comment was improper, and **biased** Grand Jury 98-2 when it was presented with Ms. Steele's testimony. The grand jury would have inferred from Mr. Barger's comment that Ms. Steele had refused to answer truthfully because she was hiding a criminal act. See Griffin v. California, 380 U.S. 609 (1965) (dismissing indictment after prosecutor inferred guilt from assertion of Fifth Amendment right at trial); United States v. Williams, 464 F.2d 927 (8<sup>th</sup> Cir. 1972) (dismissing indictment after assertion of Fifth Amendment right before grand jury was used against a defendant).

Third, and equally important - the grand juries used by the OIC in this case relied primarily on the testimony of Willey, a witness who by the OIC's limited production to date has demonstrably made false statements, committed perjury and obstructed justice in connection with the Jones v. Clinton case. See Sealed Exhibit. Indictments which are based partially on perjured testimony which the government **knows** to be false are obtained in violation of the defendant's **due process** rights, and must be dismissed. See United States v. Basurto, 497 F.2d 781 (9<sup>th</sup> Cir. 1974) (dismissing indictment where the grand jury was knowingly provided with perjured testimony by the government and not informed of the witness' perjury). At a minimum, the OIC should have informed the grand jury of Willey's track record, as well as the deal struck between her and the OIC. Failure to do so in and of itself biased the grand jury against Ms. Steele; given Mr. Barger's remarks about Ms. Steele's testimony, it robbed Ms. Steele of due process.

Re: WSBA File: 08-00498  
Your grievance against lawyer Jed M. Silversmith

Dear Mr. Beiter:

We received your grievance against a lawyer and assigned the file number indicated above. We appreciate receiving information from the public about lawyers licensed in Washington state. However, our authority and resources are limited. The Washington State Bar Association is authorized to investigate a grievance against a lawyer to determine whether the lawyer's conduct should have an impact on his or her license to practice law. We are not a substitute for protecting your legal rights. We do not and cannot represent you in legal proceedings.

We reviewed your grievance and determined that your primary concern is conduct by a lawyer who is or was the prosecutor in a criminal case against you. We are not in a position to reconsider court proceedings. A prosecutor may and should aggressively protect the public interest. It does not appear that the court found any impropriety.

We believe it is in your best interest, and in the best interest of the lawyer against whom you are complaining, that we tell you as soon as possible if it appears that the conduct you describe is not within our jurisdiction, does not violate the Supreme Court's Rules of Professional Conduct (RPC), or does not warrant further investigation by our office. Under the Rules for Enforcement of Lawyer Conduct (ELC), a lawyer may be disciplined only upon a showing by a clear preponderance of the evidence that the lawyer violated the RPC.

Based on the information we reviewed, there is insufficient evidence to warrant further action; therefore, we are dismissing your grievance under ELC 5.6(a). If you do not mail or deliver to us a written request for review of this dismissal within **forty-five (45) days** of the date of this letter, the decision to dismiss your grievance will be final. Should there be a judicial finding of impropriety, you may request that we reopen this matter. Absent special circumstances, and unless we are provided with reasons to do otherwise, we will forward to you a copy of any response we receive from the lawyer.

Sincerely,

A handwritten signature in blue ink that reads "Disciplinary Counsel".

### INTRODUCTION

This information sheet is for anyone who is considering filing, or who has filed, a grievance with the Washington State Bar Association. It is published as a public service to explain the lawyer discipline process and related topics. The Washington State Bar Association is an extension of the Washington State Supreme Court, which regulates lawyer conduct. The Washington State Bar Association is not funded by taxpayer money. It is funded by fees paid by lawyers licensed to practice law in Washington State.

Filing a grievance is a very serious matter because you are charging a lawyer with unethical conduct. Before you file a grievance with us, please consider resolving your dispute directly with the lawyer. A lawyer may refuse to continue to represent you after you have filed a grievance against him or her and you may need to find a new lawyer. If you have a disability, or need assistance in filing a grievance, please call us and we will take reasonable steps to accommodate you.

### WHAT WE CAN DO

Our only authority is to discipline a lawyer and our resources are limited. Each grievance is evaluated by the Office of Disciplinary Counsel to determine if it contains facts that may show a violation of the Rules of Professional Conduct and what, if any, further action is warranted. The rules can be accessed through [www.wsba.org](http://www.wsba.org). They can also be obtained from our office.

If we evaluate your grievance and decide that there has been no violation of the rules or that we will not further investigate your grievance, we will tell you why. A three-member Review Committee of the Disciplinary Board, which consists of both lawyers and non-lawyers, can review our decisions. If we investigate your grievance and believe there is enough evidence to warrant further action, a recommendation will be sent to a Review Committee of the Disciplinary Board for its consideration.

### WHAT WE CAN'T DO

**Reimbursement:** Disciplinary proceedings are not a substitute for your own lawsuit against the lawyer. Therefore, in general, you should not expect to receive any money or reimbursement for monetary loss as a result of filing a grievance.

**Legal Advice:** We cannot give you legal advice or represent you, nor can we recommend a lawyer for you. If you need a lawyer, please check with your local bar association for information on its lawyer referral service. The telephone number for the King County Bar Association Lawyer Referral Service is (206) 623-2551 and its web site is [www.kcba.org](http://www.kcba.org).

**Non-Members:** If your grievance involves a non-lawyer who is not affiliated with a licensed lawyer, or a lawyer who is not licensed to practice in the State of Washington, we recommend that you contact the Practice of Law Board by calling (206) 727-8252 or online through [www.wsba.org](http://www.wsba.org). We maintain records of all lawyers licensed with us. You may call (206) 727-8207 to inquire about a lawyer's membership status.

**Fee Disputes:** Generally, you should not expect us to discipline your lawyer to resolve a fee dispute. Discuss your concerns about fees with your lawyer. The Washington State Bar Association maintains a voluntary fee arbitration program and a mediation program where lawyers and clients can resolve fee disputes. Information about these programs can be obtained by calling (206) 733-5923.

**Rude Behavior:** You should not expect us to discipline a lawyer for conduct that you perceive to be rude or discourteous. Usually, poor customer service does not constitute an ethical violation.

**Related Cases:** Generally, we will defer action on your grievance if there is related pending litigation.

In Care of Forwarding Agent:  
UNITED STATES SENATE  
WASHINGTON, D.C. [20510-0906]

Re: Your writing dated March 18, 2008

Honorable Senator Martinez,

We, our frightened family, thank you in receiving your offer for your self-subjected assistance (oath-bound assistance, employment application assistance, where applicable, as you self-subjected yourself and we wish only to support where possible under operation of law, rather than vex or otherwise belabor you) and, also, your consequential reference (an adverbial use, in rules of English, rather than a frivolous use) with respect for the separation of powers under the U.S. Constitution. Your state notaries are under attack, a violation of the separation of powers, as the affidavits of your notaries, incorporated herein by reference, of your notaries attest.

Upon reason, information, knowledge and belief this is lawful notice to you that Florida notaries (plural) have been, are and, if unchecked, foreseeably will be willfully harmed, without governmental agency support before or after the fact, without job application support before or after the fact, without regulation, statute, pre-scribed law or other form of process prescribed in support before or after the fact (editorialism aside, please see said affidavits incorporated by reference herein and partially enclosed herewith).

In our family's offering to you the best level of service, as in, "ask what you can do for your country rather than asking what your country can do for you," we offer the enclosed publically recorded information and data so that you know or should have known the activities of your subordinates and/or peers, though agencies subordinate to Congress, prominently mentioned, I would hope qualify for less, evidentiarily, than "peers"; though agencies can be highly trained and expected to be knowledgeable of the activities for which they effort paid (your 18USC1001(c), your 28USC1357 to the extent that U.S. revenues are protected).

Thank you for your filing, under waste, fraud, and abuse, these documented, recorded harms of the peer "Congressman Stearns" (whose secretary was more upset at my family's flesh-and-blood visit's mentioning the word "hell" than upset at the documented rogue agent managers letting a pregnant agent Darci Smith of INTERNAL REVENUE SERVICE seem liable, perhaps more agents also) and the harms of the subordinate agencies specified upon the enclosures herewith.

At a bargaining table of yours (yours) for such mainstream governmental concerns as waste, fraud, and abuse, the file we suggest, as congresspeople can be found suggesting absence of quorum for legislative

session, can be filled with additional, endorsed activities seemingly endorsed of agencies, though in actuality endorsed of a rogue manager, or acting manager or two. Specifically we refer you to the Stearns office, (either for or against Florida), where worn and weary we turn to additional peers of the Mr. Stearns dishonoring our family's fear through conducting a "so-called investigation, *without once requesting documents of the witness complaining, without once requesting information, data, knowledge, belief, or an iota of reason from the best witnesses though asserting an investigation was completed and 'unfavorable' the Stearns regret indicates though we believe favorable in that alternative interpretations are less able to be found regarding our fears' resolved or unresolved status where, for the record, less interpretation regarding our fears almost certainly indicates a record where a state is allowing only a sole interpretation reasonable from a record, per se, that a state wants to be sued federally (activating your '11<sup>th</sup> Amendment' concerns)*", a Stearns regret which we did receive in writing "in the form of a regret" from the office of one of your constitutional peers (where you self-subjected and are cognizable of extraconstitutional activity), namely, Congressman Stearns.

We did request, sparing no expense in documenting the back-and-forth positions stated of the office of Congressman Stearns and our emotionally distressed family, uncertain and insecure in our rights expressed on the precious constitution, an investigation though an investigation gathering relevant evidence, rather than re-wording our express wording in and for a seeming relay exercise without our wording, and we dared hope that would be an investigation gathering "pertinent" evidence rather than gathering a mockery *against* our fears (in the notion of "a mock court" exercise, though our family's fears are the real thing and the prompting for our fears likewise real, though especially documented where our fears are disregarded).

"It's not who you know; it's what you can prove" is our shocked, scared, family of six's approach here. Thank you for whatever your effort, in filing this confirmation of your writing, accomplishes for our rights to *and of* quiet enjoyment without public nuisance and without private nuisance if applicable, that you call "waste, fraud, and abuse."

Continued activities described against the notaries, not to be bothered, will cause increased community distress rather than confidence, continued fear in our family rather than happiness. We are uncertain and insecure as to our express constitutional rights to pursuing happiness at this time, a liberty of our lifetime we've cherished and hope to serve without obstacle, without encumbrance, **if one would ask us for copies of the documented harms against us** (and also harms imposed against Florida, itself, in harming notaries, now, two notaries (an affidavit enclosed herewith, second available with an additional est. ten non-notary affidavits of ten people, each law-abiding, setting forth in plain language clear harms and harms through expenses, for example, categorical activities of using business equipment, business time without reimbursement, inciting litigation, et cetera)).

Best regards, also to those receiving courtesy copies per cc list, first-class ("U.S.") mail (est. 100 recipients),

 a living soul  
for the family Donna, Michaiiah, Joshua, Saige, Eliana and Michael David Beiter Jr.

1325 Fourth Avenue, Suite 600, Seattle, Washington USA [98101-2573]

Subject: Your writing dated March 21, 2008

Dear (wet-ink signed) "Disciplinary Counsel":

It is, firstly, an express intent of this writing that we, our frightened family, express thanks, in our receiving your offer for your self-subjected assistance (oath-bound assistance, employment application assistance, where applicable, as you self-subjected yourself and we wish only to support where possible under operation of law, rather than vex or otherwise belabor you). We are studying under what, if any, mandates your office operates.

It is, secondly, an express intent of this writing that we, our frightened family, express and otherwise diligently inform you that it is upon our reason, information, knowledge and belief that this is lawful notice sent to you, that you are now notified formally of our intent for full fruition to discipline, of the grievance that you accepted, for the best interests of Jed Silversmith as you suggested and, further and in addition, lawful notice that Jed Silversmith **does** comprehend, *though Jed Silversmith lacks documentation of good faith efforts for purposes of using documentation for demonstrating either comprehension or understanding*, the common and dictionary-defined word "exculpatory" (see Rules of Professional Conduct relating to professional competence, i.e., professional competence defined as "documented" good faith (a paper trail)).

It is, thirdly, an express intent of this writing that we, our frightened family, express that we believe it is in the best interests of our frightened family to inform you that, further and in addition, beyond Jed Silversmith's absent documentation indicating good faith efforts, documented events of bad faith exist by virtue of foreseeable harms imposed (for your reference, "knew or should have known" principles), harms and detriments specifically imposed through others and Jed Silversmith intending reliance, first, upon silence, then, second, reliance upon silence (first, that a grand jury did convene quorum regarding me or us, and now we rely on the un rebutted evidence and silences of Jed Silversmith that a grand jury other than convenes quorum regarding me or us).

**NOTICE (all waivers expressly disavowed)**

Since your writing dated "March 21, 2008" was sent using "U.S. Mail" we are uncertain and insecure regarding our rights to and of informing you that your belief is erroneous, namely, that a prosecutor against a recipient of your writing has surfaced. In fact, the documentation is quite clear, for preponderance of the evidence, that we have always strived and continue to strive to discover whether or not (yes/no) it is truly me, Michael David Beiter Jr. whom Jed Silversmith seeks. **For example, please see the attached**

**consequences of the disclosures of JED SILVERSMITH**, in disciplinary counsel's severable activity of serving the best interests of he (JED SILVERSMITH) who leaves disciplinary counsel embarrassed.

Expenses (detrimental) in reliance upon the express actions-in-fact of your JED SILVERSMITH are documented of "United States Postal Service®" documentation for expenses made in sending "CERTIFIED MAIL™" in reliance, again, upon the documented offers-in-fact, gestures-in-fact, meetings-in-fact involving the knowing, voluntary, intentional, willing and/or willful participation of Jed Silversmith in documented efforts indicating bad faith (biased, uninformed, and multiple grand juries at a minimum, biased per se through the status of being uninformed, at a minimum).

Further and in addition, Neighbor Jed Silversmith, in our estimation, is bringing tremendous pressure upon a very pregnant agent for "INTERNAL REVENUE SERVICE" though substitutions "out" of questioned employees continue raising suspicion regarding activities that INTERNAL REVENUE SERVICE does not promote for employees of INTERNAL REVENUE SERVICE.

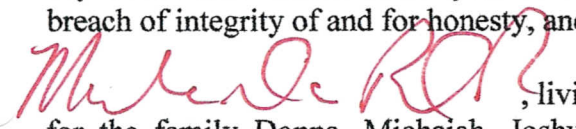

The number of inferences that you or your office have made from our express writing is high. For example, you or your office did infer without our mentioning such, a reconsidering of court proceedings; did infer 'aggressively protecting the public interest'; did infer that one or more criminal cases exist either in the past or present against me or against us, which, in fact, you did not specify as to whom such may apply in your estimation or belief.

You know that you received a standard grievance of exculpatory sort. Govern yourselves according facts, established through un rebutted and publically recorded efforts of actually harmed notaries, the merit of facts; and govern yourselves accordingly, please, for the sake of honesty and other virtues you and we do support as reflected at your rules, and mandates, if you or your office is in deed in any way mandated.

Since you've been patient with us thus far in your assigning a file number, may we, without intrusion and without waiving a right or rights, ask if we may reason together with you and/or your office, regarding our very straightforward and clear agreement to use either the common, dictionary-defined word "exculpatory" or the closest match, in your or your office's operational vocabulary, to the word "exculpatory" in examining the stipulations and assents of Jed Silversmith, an attorney whom you indicate is licensed within your Washington state yet operates within the geographic boundaries of Florida.

**Notice is, further and in addition, now given** that we believe Jed Silversmith's memory is suffering, with an example given now (though other than an exhaustive list) of Jed Silversmith's ability using memory, to detect extraconstitutional activity since Jed Silversmith's self-subjection under the U.S. Constitution during the simultaneous presence of Jed Silversmith's failing to act upon detecting extraconstitutional activity documented and disavowed of governmental agency/ies.

Sealing this and attachments, inclusively attached and enclosed herewith, using wet ink this twenty-fourth day of the third month of the year of our Lord 2008, proving our family offers seal for indicating absent breach of integrity of and for honesty, and indicating absent breach of integrity of and for recordkeeping,

Dear Mr. Beiter:

Thank you for taking the time to contact me. I appreciate learning of the concerns which you raised in your correspondence.

Regrettably, due to the huge volume of mail that I receive, I am only able to respond to communications sent to me from Connecticut residents. Also, as a matter of long-standing tradition, congressional courtesy calls upon Senators to allow their colleagues the opportunity to assist and respond to constituents residing within, or otherwise connected to, their respective home states.

Therefore, I have taken the liberty of forwarding your letter to the senior Senator from your state, the Hon. Bill Nelson. I trust you should be receiving a response from that office as soon as possible.

Thank you again for sharing with me your concerns about this matter.

Sincerely,

Re: WSBA File: 08-00498  
Grievance filed by Michael David Beiter, Jr.

Dear Mr. Silversmith:

We received the enclosed information dated March 25, 2008 from Mr. Beiter.

Under the Rules for Enforcement of Lawyer Conduct (ELC), we are providing the information to you because it disputes the dismissal of a grievance. As required by the ELC, a Review Committee of the Disciplinary Board will reconsider the dismissal. We strongly encourage you to respond to the grievance if you have not already done so.

The Review Committee will notify you and the grievant of its decision after it issues an order in this matter. In some situations, all of the information in a grievance file becomes public as a result of a Review Committee's decision. See ELC 3.1(b).

Sincerely,

A handwritten signature in cursive script that reads "Disciplinary Counsel".

## WASHINGTON STATE BAR ASSOCIATION

1325 Fourth Avenue, Suite 600  
Seattle, WA 98101-2539  
(206) 727-8207 or (800) 945-9722

As is mentioned in *Lawyer Discipline in Washington*, if your grievance is evaluated and a decision is made that there has been no violation of the rules or that your grievance will not be further investigated, a three-member review committee of the Disciplinary Board, which consists of both lawyers and non-lawyers, can review the decision.

### WHAT IS A REVIEW COMMITTEE?

The Disciplinary Board has 14 members. Each member serves a three-year term and has one vote. Ten members are lawyers and four are non-lawyers. The non-lawyer members are appointed by the Washington Supreme Court. The lawyer members are appointed by the Washington State Bar Association's Board of Governors. Two lawyers and one non-lawyer serve on each review committee. There are four review committees.

### WHAT DOES A REVIEW COMMITTEE DO?

Among other things, a review committee can consider disciplinary counsel's dismissal or deferral of a grievance and uphold the dismissal or deferral, or order further investigation. The parties cannot attend a review committee meeting. A review committee makes a decision based on the documents submitted and then issues an order without a formal explanatory opinion. Information on the Review Committee's deliberations is not public.

### WHAT IS A REQUEST FOR REVIEW?

A request for review of disciplinary counsel's dismissal or deferral of a grievance must be in writing and mailed or delivered to our office within 45 days of the date on the dismissal letter. After the request for review is submitted, additional information for the review committee's consideration is optional. However, respondent lawyers are strongly encouraged to respond to the grievance if they have not already done so. Additional information can be submitted to the review committee until two weeks before the review committee meets.

### AFTER A REQUEST FOR REVIEW IS SUBMITTED, WHEN IS THE DECISION ISSUED?

Requests for review are assigned to a review committee's agenda in the order received. The assignment is generally eight to ten weeks before the meeting date. In most instances, an order will be prepared by a review committee immediately after it meets. The Clerk to the Disciplinary Board mails notices and copies of the orders to the respondent lawyer and the grievant, or to their lawyers if they are represented. The decision of a review committee cannot be appealed.

Subject: Your writings dated March 21, 2008 (purporting to acknowledge grievance, in our estimation, and also proposing dismissal), and April 1, 2008 (a "cc" writing)

Dear (photocopy-signed) "Disciplinary Counsel":

It is, firstly, an express intent of this writing that we, our frightened family, express thanks, in our receiving your offer for your self-subjected assistance (oath-bound assistance, employment application assistance, where applicable, as you self-subjected yourself and we wish only to support where possible under operation of law, rather than vex or otherwise belabor you). We continue studying under what, if any, mandates your office operates.

It is, secondly, an express intent of this writing that we, our frightened family, express and otherwise diligently inform you that it is upon our reason, information, knowledge and belief that this is lawful notice sent to you, that you are now notified formally of our intent for full fruition to discipline, of the grievance that you accepted, for the best interests of Jed Silversmith as you suggested and, further and in addition, lawful notice that Jed Silversmith **does** comprehend, *though Jed Silversmith lacks documentation of good faith efforts for purposes of using documentation for demonstrating either comprehension or understanding*, the common and dictionary-defined word "exculpatory" (see Rules of Professional Conduct relating to professional competence, i.e., professional competence defined as "documented" good faith (a paper trail)).  
**The word "exculpatory" and a proximate match are absent upon your April 1, 2008 "cc" writing.**

It is, thirdly, an express intent of this writing that we, our frightened family, express that we believe it is in the best interests of our frightened family to inform you that, further and in addition, beyond Jed Silversmith's absent documentation indicating good faith efforts, documented events of bad faith exist by virtue of foreseeable harms imposed (for your reference, "knew or should have known" principles), harms and detriments specifically imposed through others and Jed Silversmith intending, first, reliance upon silence, then, second, reliance upon silence (first, that a grand jury did convene quorum regarding me or us, and now we rely upon the un rebutted, averred and county-recorded evidence, and silences of Jed Silversmith that a grand jury other than convenes quorum regarding me or us).

**NOTICE (all waivers are expressly disavowed)**

Since your writing dated "March 28, 2008" was sent using "U.S. Mail" we are uncertain and insecure regarding our rights to and of informing you that your belief is erroneous, namely, that a prosecutor against a recipient of your writing has surfaced. In fact, the documentation is quite clear, for preponderance of the evidence, that we have always strived and continue to strive to discover whether or not (yes/no) it is truly me, Michael David Beiter Jr. whom Jed Silversmith seeks. For example, *see* the attached consequences of the disclosures of JED SILVERSMITH, **"incorporated herewith by reference, and for reference, to the first supplemental presentment for grievance (certified ('U.S.') mailed article numbered 7004 2510 0005 4078 1095)"** in disciplinary counsel's severable activity of serving the best interests of he (JED SILVERSMITH) who leaves disciplinary counsel embarrassed.

Expenses (detrimental) in reliance upon the express actions-in-fact of your JED SILVERSMITH are documented of "United States Postal Service®" documentation for expenses made in sending "CERTIFIED MAIL™" in reliance, again, upon the documented offers-in-fact, gestures-in-fact, meetings-in-fact involving the knowing, voluntary, intentional, willing and/or willful participation of Jed Silversmith in documented efforts indicating bad faith (biased, uninformed, and multiple grand juries at a minimum, biased per se through the status of being uninformed, at a minimum). **Compliance** with the "other than appealable nature" that you reference upon your "THE REVIEW COMMITTEE PROCESS" and pursuant to Jed Silvermith's self-subjection under your rules **is also diligently monitored and records thereof maintained.**

Further and in addition, Neighbor Jed Silversmith, in our estimation, is bringing tremendous pressure upon a very pregnant agent for "INTERNAL REVENUE SERVICE" though substitutions "out" of questioned employees continue raising suspicion regarding activities that INTERNAL REVENUE SERVICE does not promote for employees of INTERNAL REVENUE SERVICE.

The number of inferences that you or your office have made from our initial, express writing (**grievance**) is high. For example, you or your office did infer without our mentioning such, a reconsidering of court proceedings; did infer 'aggressively protecting the public interest'; did infer that one or more criminal cases exist either in the past or present against me or against us, which, in fact, you did not specify as to whom such may apply in your estimation or belief; **therefore, as a result of said inferences, if, in deed, "a Review Committee of the Disciplinary Board will reconsider 'the' dismissal"** (quote from your April 1 "cc' writing") please send a writing to the address hereupon prominently displayed (as displayed upon the first supplemental presentment and as displayed upon the initial, express writing (**grievance**) how, and using what form(s) available to me and/or us, we may support other than dismissal, as we shun inferences in exercising our "methods for safety and security."

You know that you received a standard grievance of exculpatory sort. Thank you for seeming, as you offer and ought, to govern yourselves according facts, established through unrebutted, **statutorily-rendered un rebuttable (Fed. Rules of Evidence 201, 902 et seq., and "equal footing doctrine, for equal footing across the states, in county-recording")**, publically recorded efforts (testimony) of actually harmed notaries, the merit of facts; and govern yourselves accordingly, please, for the sake of honesty and other virtues you and we do support as reflected at your rules, and mandates, if you or your office is in deed in any way mandated. As we are in receipt of your April 1, 2008 "cc' writing" we do thank you, in receipt of your notice to us that Neighbor Jed Silversmith is barred against appealing your decision.

Notice and Confirmation of Receipt of your Writing "of March 21, 2008"

per the terms of grievance (certified ("U.S.") mailed article numbered 7004 2510 0005 4078 1057),  
all waivers expressly disavowed

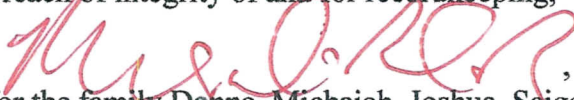

Since you've been patient with us thus far in naming "Michael David Beiter Jr." your assigning a file number, and demonstrated further patience in strongly encouraging the subject of the grievance, JED SILVERSMITH, "to respond to the grievance if you have not already done so," may we, without intrusion and without waiving a right or rights, ask if we may reason together with you and/or your office, regarding our very straightforward and clear agreement to use either the common, dictionary-defined word "exculpatory" or the closest match, in your or your office's operational vocabulary, to the word "exculpatory" in examining the stipulations and assents of Jed Silversmith, whom you indicate is licensed within your Washington state while operating, as indicated upon documents, within the geographic boundaries of Florida.

**Notice is, further and in addition, now given** that we believe Jed Silversmith's memory is suffering, with an example given now (though other than an exhaustive list) of Jed Silversmith's ability using memory, to detect extraconstitutional activity since Jed Silversmith's self-subjection under the U.S. Constitution during the simultaneous presence of Jed Silversmith's failing to act upon detecting extraconstitutional activity documented and disavowed of governmental agency/ies.

Regarding whether or not (yes/no) your records reflect or indicate my name, "Michael David Beiter Jr." accurately – close enough, but please just minus the comma. That way records indicate, and clearly, contact with me and us (this is natural, since central to harms and exculpatory seems to be the status, or condition, of whether or not people even met me or us, including extra and exculpatory activities harmful in harming notaries, using equipment and hire without compensation and without agreement, even forms of servitude (which is to say, servitude in the form of taking business time consumed without compensation and without agreement, taking personal time if other than business time likewise).

If you at your office want contact with the notaries harmed, information for contact is available upon written (a dated certain) request.

Sealing this and attachments, all-inclusively and comprehensively attached as attached by reference and for reference, using wet ink this seventh day of the fourth month of the year of our Lord 2008, a seal proving that our family offers seal for indicating absent breach of integrity of and for honesty, and indicating absent breach of integrity of and for recordkeeping,

Dear Mr. Beiter:

This Office has reviewed your May 25, 2007 letter, a copy of which you sent to Congressman Cliff Stearns, which was referred to the U.S. Department of Justice for review and response. In your letter you alleged that an Assistant U.S. Attorney engaged in professional misconduct and requested assistance.

The Office of Professional Responsibility (OPR) has jurisdiction to investigate allegations of misconduct involving Department of Justice (DOJ) attorneys that relate to the exercise of their authority to investigate, litigate or provide legal advice, as well as allegations of misconduct by law enforcement personnel when they are related to allegations of attorney misconduct within the jurisdiction of OPR. However, we cannot initiate an investigation of such a complaint unless it is supported by specific factual allegations which, if true, would substantiate a finding of misconduct by a DOJ attorney or law enforcement officer. Based on our review of your letter, we found that it did not contain such specific factual allegations. Accordingly, we have concluded that no action by this Office is warranted.

We regret we can be of no further assistance to you.

Sincerely,

Dear (photocopy-signed) "Disciplinary Counsel":

It is, firstly, an express intent of this writing that we, our frightened family, express thanks, in our receiving your offer for your self-subjected assistance (oath-bound assistance, employment application assistance, where applicable, as you self-subjected yourself and we wish only to support where possible under operation of law, rather than vex or otherwise belabor you). We continue studying under what, if any, mandates your office operates.

Please immediately forward me a copy of the policy, procedure of your office and the proper legal time for response when response is "strongly encouraged" by your office.

**Subject: Your attached writing dated "April 21, 2008"**

Dear (photocopy-signed) "Disciplinary Counsel":

It is, firstly, an express intent of this writing that we, our frightened family, now inform you that it is potentially you that we now fear. Three times we have asked your office to specifically NOT alter my honest name, Michael David Beiter Jr., and three times you have done other than what was asked of you. We believe Jed and others have possibly convinced you to alter my name and carry out there well documented schemes against me, a conspiracy, proven. If you again choose to alter my honest name after this writing, then we will have knowledge on paper to support our belief about your office. I am relying on your non response to this writing as admission of my belief and knowledge. At this time, I also respectfully Demand a name of someone on your committee as potential crimes are being committed against me. "Disciplinary Counsel", will no longer suffice as a signatory for you in this matter of law and evidence.

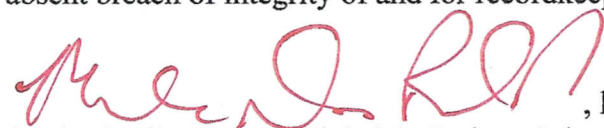

**MICHAEL D. BEITER** or Michael David Beiter or any derivation is NOT my name!!!!!!!!!!!!!!

I am Michael David Beiter Jr.

Please immediately forward me the form you supply when one believes he has been harmed by your office.

c/o Stanley Bastian d/b/a STANLEY BASTIAN, PRESIDENT  
1325 Fourth Avenue, Suite 600,  
Seattle, Washington USA [98101-2573]

Dear "Nonindividualized Disciplinary Counsel" and individuals, and those whom these writings have concerned, do concern, or may concern:

We, our intimidated, emotionally distressed by exterior causes for distress, and fearful family that is fearful from retaliation to which two notaries and ten witnesses have averred did and does exist, in the form of harms, threats, unclean hands of several and severable sorts, including but not limited to failure to compensate for business equipment and time used of notaries, and so averred under penalty of perjury, now thank you formally, for your patience in receiving our notices.

If your inaccurate letterings of my name and/or other names on the documents that are so important to our family are "inaccurate letterings of no detrimental effect" then, from that state, or from that condition, you and yours have nothing to worry about regarding liability under that aspect of our grievance/other aspects of our grievance, and, so, we thank you for the opportunity to make notice, and under your assigned file number. We, on the other hand, continue in the state of intimidation, the state of emotional distress without our causing our emotional distress, and the state of fear.

Our family believes that, at this point, it seems, with the best interests of Jed Silversmith that are served through the activity/ies of you and/or your office as you and/or your office has expressly indicated are served, as indicated upon the writing that either you and/or your office sent to us (signed without individualism, merely "Disciplinary Counsel"), that we are safe against angering you if we ask only that you please specify remedy. And so, we ask, please specify the form or specify the remedy, available to me and/or us, regarding harms caused (documented expenses for mailings that were mailed "in" reliance upon the overt actions and expressions of Jed Silversmith).

In addition, we ask that you and/or your office please specify the form or specify the remedy, available to me and/or us, regarding potential future harms caused of activity/ies of you and/or your office.

Thank you for your effort,

Donna, Michaiiah, Joshua, Saige, Eliana and Michael David Beiter Jr., living souls
